No. 456

H.P. 323

House of Representatives, February 7, 2017

An Act To Increase Access to Vaccinations

Reference to the Committee on Labor, Commerce, Research and Economic Development suggested and ordered printed.

A handwritten signature in cursive script that reads "Robert B. Hunt".

ROBERT B. HUNT
Clerk

Presented by Representative CHACE of Durham.
Cosponsored by Representatives: GILLWAY of Searsport, GROHMAN of Biddeford,
MALABY of Hancock, WINSOR of Norway, Senator: BELLOWS of Kennebec.

1 **Be it enacted by the People of the State of Maine as follows:**

2 **Sec. 1. 32 MRSA §13831, sub-§2**, as amended by PL 2013, c. 6, §1, is further
3 amended to read:

4 **2. Administration of other vaccines.** A pharmacist licensed in this State who meets
5 the qualifications and requirements of section 13832 and rules adopted by the board, in
6 addition to influenza vaccines under subsection 1, may administer vaccines that have
7 United States Food and Drug Administration approval or are licensed by the United
8 States Food and Drug Administration and that are listed on the recommended by
9 immunization schedule of the United States Centers for Disease Control and Prevention
10 Advisory Committee on Immunization Practices, or successor organization, for
11 administration to adults to a person 11 years of age or older according to a valid
12 prescription when the person has an existing primary care physician or other existing
13 relationship with a nurse practitioner or from an authorized practitioner in this State or a
14 treatment protocol or a written standing order from a practitioner authorized under the
15 laws of this State to issue a protocol or order. A pharmacist may administer vaccines
16 licensed by the United States Food and Drug Administration that are outside the
17 guidelines recommended by on the recommended immunization schedule of the United
18 States Centers for Disease Control and Prevention Advisory Committee on Immunization
19 Practices, or successor organization, to a person 18 years of age or older according to a
20 valid prescription when the person has an existing primary care physician or other
21 existing relationship with a nurse practitioner or from an authorized practitioner in this
22 State if the prescription specifically states that the vaccine is medically necessary. ~~When~~
23 ~~the person does not have an existing relationship with a primary care physician, nurse~~
24 ~~practitioner or other practitioner in this State, the pharmacist may proceed to administer~~
25 ~~according to a treatment protocol established by an authorized practitioner or a written~~
26 ~~standing order from a practitioner authorized under the laws of this State to issue an~~
27 ~~order, a prescription or a protocol to a person 18 years of age or older for vaccines~~
28 ~~licensed by the United States Food and Drug Administration that are recommended by~~
29 ~~the United States Centers for Disease Control and Prevention Advisory Committee on~~
30 ~~Immunization Practices, or successor organization, for administration to adults.~~

31 **SUMMARY**

32 This bill allows the administration of certain vaccines by a pharmacist to a person 11
33 years of age and older, instead of 18 years of age and older as in current law. A person is
34 required to have a valid prescription, treatment protocol or written standing order from an
35 authorized practitioner in this State in order to obtain a vaccination.
