18 SUMMARY

19 This bill amends the laws on funding the county jails and the transfer of prisoners
20 among county jails and the Department of Corrections. The bill clarifies that a county jail
21 that receives a transfer of a prisoner from a sending county jail or the Department of
22 Corrections may charge the sending county jail or the Department of Corrections a per
23 diem charge for the transferred prisoner. The bill clarifies in the funding formula for
24 county jails that the jails are credited for the prisoners who are committed to the custody
25 of or detained by the sheriff of that county. The bill removes the cap on tax assessments
26 for correctional services that is specific to the jails and imposes the limitation on county
27 assessments that applies more generally to the counties as set forth in the Maine Revised
28 Statutes, Title 30-A, section 706-A.
