Notice and custody.** The court shall give notice of a license suspension and shall take physical custody of the driver's license, except when the defendant demonstrates that the defendant's license was previously restored by the Secretary of State following an administrative suspension under section 2453 or 2453-A for operating under the influence based on the same facts and circumstances giving rise to the court-ordered suspension.
- **Sec. 2. 29-A MRSA §2434, sub-§4,** as amended by PL 2011, c. 81, §2, is further amended to read:
- **4. Stay of suspension.** The court, on reasonable cause shown, may stay a suspension for a period not to exceed 4 hours from the time of sentencing and issue evidence of that stay, unless the defendant demonstrates that the defendant's license was previously restored by the Secretary of State following an administrative suspension under section 2453 or 2453-A for operating under the influence based on the same facts and circumstances giving rise to the court-ordered suspension, in which case the court may stay a suspension for up to 7 days.

19 SUMMARY

Current law allows a defendant to receive credit for an OUI alcohol administrative suspension already served from the Secretary of State upon receipt of a court suspension. Because there is a lag between the time the court orders the suspension and the Secretary of State applies the credit for the administrative suspension, current law provides an exception that allows the court to stay the license suspension for up to 7 days. This bill provides the same exception for OUI drug suspensions that is currently in effect for OUI alcohol suspensions.
