LR 1544(02)

An Act To Clarify Insurance Coverage in School-based Health Centers

Fiscal Note for Bill as Amended by Committee Amendment *A (H-96)*

Committee: Insurance and Financial Services

Fiscal Note Required: Yes

Fiscal Note

Potential current biennium cost increase - Accident, Sickness and Health Insurance Internal Service Fund

Potential current biennium cost increase - Retiree Health Insurance Fund

Fiscal Detail and Notes

This bill prohibits health insurance carriers from denying coverage for services delivered in a school setting under a contract with a federally qualified health center if the same services would be covered if provided at the federally qualified health center. This could potentially impact the State Employee Health Plan, as claims for services in school-based health centers may increase. The potential cost of the increased coverage cannot be estimated at this time.
