## 1 Be it enacted by the People of the State of Maine as follows:

Sec. 1. 36 MRSA §844, sub-§1, as amended by PL 2001, c. 396, §18, is further
amended to read:

4 Municipalities without board of assessment review. Except when the 1. municipality or primary assessing area has adopted a board of assessment review, if the 5 6 assessors or the municipal officers refuse to make the abatement asked for, the applicant may apply to the county commissioners within 60 days after notice of the decisions from 7 which the appeal is being taken or within 60 days after the application is deemed to have 8 9 been denied. If the commissioners think that the applicant is over-assessed, the applicant is granted such reasonable abatement as the commissioners think proper and the 10 commissioners shall adjust downward by an equal amount the assessed value of the 11 applicant's municipality or primary assessing area. If the applicant has paid the tax, the 12 applicant is reimbursed out of the municipal treasury, with costs in either case. If the 13 applicant fails, the commissioners shall allow costs to the municipality, taxed as in a civil 14 15 action in the Superior Court, and issue their warrant of distress against the applicant for collection of the amount due the municipality. The commissioners may require the 16 17 assessors or municipal clerk to produce the valuation by which the assessment was made or a copy of it. Either party may appeal from the decision of the county commissioners to 18 the Superior Court, in accordance with the Maine Rules of Civil Procedure, Rule 80B. If 19 20 the county commissioners fail to give written notice of their decision within 60 days of 21 the date the application is filed, unless the applicant agrees in writing to further delay, the application is deemed denied and the applicant may appeal to the Superior Court as if 22 23 there had been a written denial.

## SUMMARY
