SUMMARY

This amendment removes the Class B crime added by Committee Amendment "A" of causing bodily injury to a law enforcement officer, emergency medical care provider or firefighter because of that person's status as a law enforcement officer, emergency medical care provider or firefighter. Instead, this amendment makes causing bodily injury to a law enforcement officer, emergency medical care provider or firefighter because of that person's status as a law enforcement officer, emergency medical care provider or firefighter an aggravating factor that must be considered by the court when sentencing a person convicted of assault of a law enforcement officer, emergency medical care provider or firefighter.
