2 **Sec. 1. 5 MRSA §17001, sub-§37, ¶A** is enacted to read:

3 A. Solely for the determination of qualification for disability retirement benefits  
4 under section 17924 or 18504, if the employee is not eligible for federal social

13 employer and employee that includes payment to the employee in excess of

15 **SUMMARY**

16 This bill amends the laws governing eligibility for disability retirement benefits.  
17 Current law provides that former state employees are not eligible for state disability  
18 retirement benefits if they were not disabled on their last day of state service. Under this  
19 bill, former state employees who are not disabled on their last day of state service and are  
20 ineligible for federal social security disability benefits would be eligible for state  
21 disability retirement benefits if they prevail in or settle a claim brought under the State's  
22 Whistleblowers' Protection Act.
