3 is further amended to read:

4 D-6. A division accomplished by the transfer of any interest in land to the owners of  
5 land abutting that land does not create a lot or lots for the purposes of this definition,  
6 unless the intent of the transferor is to avoid the objectives of this subchapter. ~~If the~~  
7 ~~real estate exempt under this paragraph is transferred within 5 years to another person~~  
8 ~~without all of the merged land, then the previously exempt division creates a lot or~~  
9 ~~lots for the purposes of this subsection.~~

10 **SUMMARY**

11 Current law provides an exemption to the laws governing subdivisions for a division  
12 of a tract or parcel of land accomplished by the transfer of any interest in the land to the  
13 owners of land abutting that land and removes that exemption if the exempt real estate is  
14 transferred within 5 years to another person without all of the merged land. This bill  
15 eliminates the language that provides for the removal of the exemption.
