10 **SUMMARY**

11 This bill amends the laws relating to the State's regulation of the shoreland zone as  
12 follows.

13 1. It requires the Department of Economic and Community Development, Office of  
14 Community Development to provide both basic and advanced training to code  
15 enforcement officers in the technical and legal aspects of code enforcement. Current law  
16 only requires that the office provide basic training to code enforcement officers.

17 2. It increases the maximum per day civil penalty for a specific violation of a  
18 municipal land use law or ordinance from \$2,500 to \$5,000 and increases the maximum  
19 per day civil penalty for a specific violation of a municipal shoreland zoning ordinance  
20 occurring within an area zoned for resource protection from \$5,000 to \$10,000.

21 3. It provides that municipal shoreland zoning ordinances must require an applicant  
22 for a permit for development within the shoreland zone to provide to the municipal  
23 permitting authority preconstruction and postconstruction photographs of the shoreline  
24 vegetation and development site.
