funding is provided. It prohibits the transfer or otherwise repurposing of any funds appropriated or allocated for the salaries, benefits and other costs of public health nurses and the services they provide. It changes reporting deadlines for the Director of the Public Health Nursing Program under the Department of Health and Human Services to report to the Joint Standing Committee on Health and Human Services on the progress of the department in achieving full staffing of the Public Health Nursing Program. The amendment also removes the appropriations and allocations section.

Fiscal Detail and Notes

The amendment changes the required number of public health nurse positions that must be filled to only those vacant positions already funded in the biennial budget. Thus, the 9 additional positions that were provided funding in the bill are no longer required and the entire appropriations and allocations section is removed from this bill.
