9 **SUMMARY**

10 This bill authorizes the Department of Public Safety, Gambling Control Board to  
11 accept applications for a casino operator license from federally recognized Indian tribes  
12 in the State. A license issued to a federally recognized Indian tribe would authorize  
13 operation of table games and up to an aggregate total of 1,500 slot machines at multiple  
14 facilities on land owned by the tribe. The bill provides that casinos operated by federally  
15 recognized Indian tribes are exempt from the requirement that a newly licensed casino  
16 may not be within 100 miles of an existing casino or slot machine facility. It also  
17 provides that the Gambling Control Board may not license a new casino, slot machine  
18 facility or other gambling facility or authorize expansion of existing casinos until all  
19 federally recognized Indian tribes have been licensed to operate a casino. The bill  
20 establishes a distribution rate of 25% of net slot machine income and 16% of net table  
21 game income for casinos operated by federally recognized Indian tribes. The slot  
22 machine income and table game income is deposited to the General Fund.
