STATE OF MAINE
HOUSE OF REPRESENTATIVES
128TH LEGISLATURE
FIRST REGULAR SESSION

COMMITTEE AMENDMENT "A" to H.P. 853, L.D. 1231, Bill, "An Act Regarding Mental Health Care for Maine Veterans"

Amend the bill by striking out the title and substituting the following:

'Resolve, To Assess the Need for Mental Health Care Services for Veterans in Maine and To Establish a Pilot Program To Provide Case Management Services to Veterans for Mental Health Care'

Amend the bill by striking out everything after the title and before the summary and inserting the following:

'PART A

Sec. A-1. Hospitals to inquire about past military service of patients presenting for emergency care. Resolved: That, beginning no later than January 1, 2018 and until December 31, 2020, a hospital licensed under the Maine Revised Statutes, Title 22, chapter 405 shall screen all patients presenting for emergency care at the hospital's emergency department regarding whether or not the patient has prior service in the military. This information must be added into the hospital's patient data management system; and be it further

Sec. A-2. Hospitals to report data to the Commissioner of Health and Human Services. Resolved: That, from January 1, 2018 to December 31, 2020, a hospital licensed under the Maine Revised Statutes, Title 22, chapter 405 shall compile data regarding the number of patients who identified as having served in the military who reported or presented a behavioral or mental health emergency when seeking care from the hospital emergency department, including the number who were admitted or referred for inpatient treatment for psychiatric care. The data collected in accordance with this subsection must not include information that would disclose the identity of the patient. Hospitals shall report the data to the Commissioner of Health and Human Services twice per year, for the period from January 1st to June 30th and for the period from July 1st to

R O F S

1 December 31st. The commissioner shall establish the date by which the data for each
2 period must be reported; and be it further

3 **Sec. A-3. Commissioner may waive screening and data collection**
4 **requirement. Resolved:** That the Commissioner of Health and Human Services may
5 grant a waiver of the screening and data collection requirements of this resolve to a
6 hospital that demonstrates that the requirements constitute an excessive burden that will
7 substantially affect the operation of the hospital. The commissioner may not grant a
8 waiver described under this section to more than 4 hospitals; and be it further

9 **Sec. A-4. Obligation to screen and collect data discontinued for certain**
10 **hospitals. Resolved:** That, if reports submitted to the Commissioner of Health and
11 Human Services show that a hospital, in the initial 6-month period of data collection,
12 identified 95% or more of the patients who presented for emergency care as having prior
13 military service by the fact that they are enrolled and receive health care benefits from the
14 United States Department of Veterans Affairs, the hospital is no longer required to screen
15 patients and collect data as required by this resolve; and be it further

16 **Sec. A-5. Report required. Resolved:** That the Commissioner of Health and
17 Human Services shall work with the Director of the Bureau of Maine Veterans' Services
18 within the Department of Defense, Veterans and Emergency Management to analyze the
19 data submitted by hospitals in accordance with section 2 of this Part to quantify the unmet
20 need for mental health care services, particularly inpatient mental health care services,
21 and to identify gaps in mental health care services provided by the United States
22 Department of Veterans Affairs. The commissioner and the director shall submit a report
23 on the analysis to the joint standing committee of the Legislature having jurisdiction over
24 veterans affairs no later than February 1, 2020; and be it further

25 **Sec. A-6. Commissioner shall distribute funds to mitigate costs of**
26 **compliance. Resolved:** That, by July 15, 2018, the Commissioner of Health and
27 Human Services shall distribute \$4,500 to each hospital that screened for military service
28 and collected data in accordance with sections 2 and 3 of this Part.

29 **PART B**

30 **Sec. B-1. Commissioner of Health and Human Services to establish pilot**
31 **program to provide mental health case management services to veterans.**
32 **Resolved:** That, beginning January 1, 2018, the Commissioner of Health and Human
33 Services shall establish and implement a pilot program to provide contracted case
34 management services to provide necessary mental health treatment to veterans who are
35 residents of the State. Case management services must include assisting veterans in
36 gaining a range of mental and behavioral health services, which must include inpatient
37 mental health care services. In establishing the pilot program, the commissioner shall
38 consult with the Director of the Maine Bureau of Veterans' Services within the
39 Department of Defense, Veterans and Emergency Management to identify regions where
40 case management services are most needed and to identify veterans seeking case
41 management who are enrolled with the United States Department of Veterans Affairs and
42 those who would likely be eligible to be enrolled. The pilot program described in this

ROFS

1 section must continue until January 1, 2020 or until the funds provided in Part C are
2 exhausted.

3 1. The commissioner, with the assistance of the director, shall seek to coordinate
4 services with the United States Department of Veterans Affairs and state agencies who
5 offer mental health care services or provide assistance to veterans.

6 2. The commissioner may enter into regional contracts for the purpose of ensuring a
7 statewide network of case management that provides coordinated mental health care
8 services for Maine veterans.

9 3. The commissioner, with the assistance of the director, shall establish criteria to
10 determine eligibility for case management services to be provided in accordance with this
11 section.

12 4. The director shall work to assist veterans receiving case management under the
13 pilot program who are not enrolled with the United States Department of Veterans Affairs
14 to determine eligibility and to assist with those veterans' enrollment and with filing claims
15 to the United States Department of Veterans Affairs.

16 **PART C**

17 **Sec. C-1. Appropriations and allocations. Resolved:** That the following
18 appropriations and allocations are made.

19 **HEALTH AND HUMAN SERVICES, DEPARTMENT OF (FORMERLY BDS)**

9 **SUMMARY**

10 This amendment replaces the bill with a resolve. The amendment establishes a
 11 program for the collection of data by hospitals regarding the number of veterans
 12 presenting to the hospitals' emergency departments for mental or behavioral health care.
 13 The data must be analyzed by the Commissioner of Health and Human Services, in
 14 coordination with the Director of the Maine Bureau of Veterans' Services within the
 15 Department of Defense, Veterans and Emergency Management, to quantify the unmet
 16 need for mental health care services, particularly inpatient treatment, among veterans in
 17 the State and to identify gaps in mental health care services administered by the United
 18 States Department of Veterans Affairs. The amendment also establishes a 2-year pilot
 19 program to provide contracted case management services to veterans in need of mental
 20 health care services. The amendment provides funding to mitigate the costs to hospitals
 21 for collecting and reporting data and to pay for the contracted case management services
 22 program.
