

128th MAINE LEGISLATURE

FIRST REGULAR SESSION-2017

Legislative Document

No. 1273

H.P. 886

House of Representatives, April 4, 2017

Resolve, To Redispense Donated Prescription Drugs

Reference to the Committee on Health and Human Services suggested and ordered printed.

R(+ B. Hunt

ROBERT B. HUNT Clerk

Presented by Representative HYMANSON of York. Cosponsored by Representatives: CHACE of Durham, DENNO of Cumberland, MADIGAN of Waterville, MALABY of Hancock, PERRY of Calais. **Sec. 1. Donation and redispensing of unused prescription drugs. Resolved:** That the Maine Board of Pharmacy, established in the Maine Revised Statutes, Title 32, chapter 117, shall adopt rules to allow a nongovernmental organization in the State to coordinate both the donation of unused prescription drugs by nursing homes, hospitals, wholesalers and other institutional pharmacies and the subsequent redispensing of these prescription drugs at no cost to low-income residents of the State, subject to the following provisions.

- 8 1. Prescriptions for donated drugs under this section must be filled by pharmacists 9 licensed in the State for patients in the State who are prequalified by the coordinating 10 organization.
- Donated prescription drugs must be evaluated for suitability for redispensing and
 then stored, redispensed or destroyed in accordance with existing laws and Maine Board
 of Pharmacy rules.
- An extended hospital pharmacy, as described in Maine Board of Pharmacy rule
 Chapter 35, may accept, store, redispense or destroy donated prescription drugs
 prescribed for patients in the State.
- 17 Rules adopted pursuant to this resolve are routine technical rules as defined in the
 18 Maine Revised Statutes, Title 5, chapter 375, subchapter 2-A.

19

SUMMARY

This resolve requires the Maine Board of Pharmacy to adopt rules to allow a nongovernmental organization in the State to coordinate both the donation of unused prescription drugs by nursing homes, hospitals, wholesalers and other institutional pharmacies and the subsequent redispensing of these prescription drugs at no cost to low-income residents of the State.
