## Fiscal Note

Potential current biennium cost increase - Highway Fund  
Potential current biennium cost increase - Other Special Revenue Funds

### Fiscal Detail and Notes

This bill changes the amount paid by the Maine Department of Transportation to displaced individuals due to property acquisition for projects funded with nonfederal funds from a set amount to the amount required for federally funded projects. As the federal amount is currently higher than the state amount there will be increased costs for nonfederal projects. The amount of additional cost will depend on the number of such projects going forward and the federal rate at the time of the acquisition of property.
