**STATE OF MAINE
HOUSE OF REPRESENTATIVES
128TH LEGISLATURE
FIRST REGULAR SESSION**

COMMITTEE AMENDMENT "A" to H.P. 916, L.D. 1322, Bill, "An Act Regarding Mental Health First Aid Training for Corrections Personnel"

Amend the bill by striking out everything after the enacting clause and before the summary and inserting the following:

Sec. 1. 25 MRSA §2804-D, sub-§1, as amended by PL 2013, c. 147, §33, is further amended to read:

1. Required. As a condition to the continued employment of any person as a corrections officer, that person must successfully complete, within the first 12 months of employment, a basic training course as approved by the board. Thereafter, as a condition of continued employment as a corrections officer, the officer must satisfactorily maintain the basic certification. The board, under extenuating and emergency circumstances in individual cases, may extend the 12-month period for not more than 180 days. The board, in individual cases, may waive basic training requirements when the facts indicate that an equivalent course has been successfully completed in another state or federal jurisdiction. A full-time correctional trade instructor ~~hired after January 1, 2002~~ must meet the training requirements established under this subsection for corrections officers. Beginning January 1, 2018, the basic training course must include 8 hours of training in how to identify, understand and respond to signs of mental illnesses and substance use disorder that is provided by a trainer who is certified by a nationally recognized organization that provides evidence-based mental health first aid training.

Sec. 2. Jails, prisons and correctional facilities to incrementally train corrections personnel in mental health first aid. Every jail, prison and state correctional facility shall ensure that 20% of corrections officers at the jail, prison or state correctional facility are trained in mental health first aid by 2022. For purposes of this section, "corrections officer" has the same meaning as in the Maine Revised Statutes, Title 25, section 2801-A, subsection 2.

Sec. 3. Report. Every jail, prison and state correctional facility shall report to the Commissioner of Corrections when personnel at the facility have received mental health first aid training at the Maine Criminal Justice Academy as required by section 2. When

Fiscal Detail and Notes

The bill includes an Other Special Revenue Funds allocation of \$30,265 in fiscal year 2018-19 to the Department of Public Safety to provide 8 hours of mental health first aid training as part of basic corrections training. Other Special Revenue Funds revenue to the Department of Public Safety would increase by \$39,504 in fiscal year 2018-19 for training fees charged.

The cost to provide mental health first aid training to state correctional staff is expected to be a significant General Fund cost. The Department of Corrections has estimated overtime costs of \$420,000 and course, travel, meals and lodging costs in excess of \$100,000 to move more than 700 employees through 8 hours of training. Due to uncertainty over the number of staff trained annually and the number of overtime hours required, the cost to the Department of Corrections by fiscal year is not estimated at this time.
