SUMMARY

This amendment eliminates that funding and instead requires a school administrative unit, if it receives funding for that purpose, to establish such a program.

Fiscal Detail and Notes

This amendment eliminates the General Fund appropriations of \$114,776 in fiscal year 2017-18 and \$79,980 in fiscal year 2018-19 and removes the requirement that the Department of Education establish a youth mental health first aid training program for health educators in secondary schools.
