LR 1778(02)

An Act Regarding Drug Testing in the Transportation Sector

Fiscal Note for Bill as Amended by Committee Amendment "A" (S-87)

Committee: Transportation

Fiscal Note Required: Yes

Fiscal Note

Current biennium cost increase - Highway Fund

Current biennium cost increase - Other Special Revenue Funds

Fiscal Detail and Notes

Requiring all flaggers at highway construction sites to submit to substance abuse testing would increase costs to construction projects. The amount of the increase would depend on the number of flaggers hired, the number of flaggers already required to be subjected to substance abuse testing and the number of privately employed flaggers whose employer does not perform substance abuse testing.
