5 All publicly and privately employed flaggers at state-funded or federally funded

18 substance abuse testing based on probable cause and allow for random testing in
19 compliance with Title 26, chapter 7, subchapter 3-A. The department may consult with
20 the Department of Labor and shall use the policy developed by the State for drug and
21 alcohol testing for employees in positions requiring a commercial driver's license for
22 guidance.

23 **SUMMARY**
