128th MAINE LEGISLATURE

FIRST REGULAR SESSION-2017

Legislative Document

No. 1451

S.P. 502

In Senate, April 13, 2017

**An Act To Promote Biosecurity and Better Regulate the
Importation, Possession and Use of Aquatic Species**

Reference to the Committee on Inland Fisheries and Wildlife suggested and ordered printed.

A handwritten signature in cursive script that reads "Heather J.R. Priest".

HEATHER J.R. PRIEST
Secretary of the Senate

Presented by Senator VOLK of Cumberland.

1 **Be it enacted by the People of the State of Maine as follows:**

2 **Sec. 1. 12 MRSA §12152, sub-§2-A** is enacted to read:

3 **2-A. Prohibition on certain amphibians and aquatic invertebrates.** A person
4 may not introduce, import or possess the following amphibians and aquatic invertebrates
5 in the State unless a permit is issued by the commissioner under this section:

6 A. Any species of freshwater clam, or any species in the Corbicula genus;

7 B. Zebra mussel, Dreissena polymorpha;

8 C. Freshwater Asian gold clam, Pilsbryconcha exilis;

9 D. Red swamp crayfish, Procambrarus clarkii; or

10 E. African clawed frog, Xenopus laevis.

11 **Sec. 2. 12 MRSA §12152, sub-§2-B** is enacted to read:

12 **2-B. Aquarium species.** Except as provided in paragraph A, a permit is not required
13 to introduce, import or possess fish when those fish are kept in an aquarium.

14 A. A person may not introduce, import or possess the following fish species unless a
15 permit is issued by the commissioner under this section:
