23 **SUMMARY**

24 Under current law, the Commissioner of Education is authorized to pay on behalf of a  
25 school administrative unit allowable school-based costs that represent the school  
26 administrative unit's portion of MaineCare payments. Current law also provides that the  
27 commissioner may then deduct that amount from the school administrative unit's state  
28 subsidy. This bill changes the law to require the commissioner to make payments from a  
29 nonlapsing account capitalized in an amount estimated by the commissioner to represent  
30 the total amount of allowable school-based costs representing the MaineCare payments of  
31 all of the school administrative units.
