SUMMARY

This amendment makes changes to the Maine Educational and Attainment Research Navigation System Executive Council by designating as ex officio and nonvoting members the chairs of the joint standing committees of the Legislature having jurisdiction over workforce and education matters. It also adds an effective date of January 1, 2019 to the provisions of the bill that repeal the State Education and Employment Outcomes Task Force, in order to provide a more gradual transition of the duties of the task force to the duties of the executive council. Additionally, the amendment adds the State Workforce Investment Board as a recipient of the executive council's annual report and provides the Department of Labor the authority to adopt routine technical rules.

This amendment increases the funding for the cost of the Legislators being added to the executive council.

The fiscal note also reflects the incremental cost in fiscal year 2017-18 only of delaying by one year the annual savings of \$2,500 created by the bill's elimination of the State Education and Employment Outcomes Task Force.

Fiscal Detail and Notes

Additional costs to the Department of Labor associated with the rulemaking process can be absorbed within existing budgeted resources.
