**STATE OF MAINE
HOUSE OF REPRESENTATIVES
128TH LEGISLATURE
SECOND REGULAR SESSION**

COMMITTEE AMENDMENT "A" to H.P. 1043, L.D. 1519, Bill, "An Act To Define the Intertidal Zone for the Management and Enforcement of Shellfish Conservation Ordinances"

Amend the bill by striking out all of section 2 (page 1, lines 14 to 17 in L.D.) and inserting the following:

'Sec. 2. 12 MRSA §6671, as amended by PL 2013, c. 301, §14; c. 468, §31; and c. 517, §1, is further amended by adding at the end a new paragraph to read:

For the purposes of this section, "intertidal zone" means the shores, flats or other land below the high-water mark and above subtidal lands.'

SUMMARY

This amendment provides that, for the purposes of municipal shellfish conservation programs, the intertidal zone is the area below the high-water mark and above subtidal lands, instead of the area between the high-water mark and the extreme low-water mark, as the bill provided.

COMMITTEE AMENDMENT
