26 **SUMMARY**

27 Current law requires that a Class A restaurant, Class A lounge, Class A
28 restaurant/lounge, club licensed to sell liquor, hotel or bed and breakfast that wishes to
29 acquire an off-premises catering license from the State also receive approval from the
30 municipality in which the event is to occur, and a municipality may set its own fee for
31 granting a permit. This bill eliminates the requirement that an applicant for an off-
32 premises catering license from the State receive approval from the municipality.
