32 **SUMMARY**

33 This bill makes several changes to the State's fish and wildlife enforcement laws.

2 permits that are provided by the department;
- 3 6. Makes failing to stop for a law enforcement officer while operating a snowmobile
4 or watercraft a Class D crime consistent with the provision applying to all-terrain
5 vehicles;
- 6 7. Makes the airbow a legal hunting implement when used within certain parameters.
7 It defines "airbow," "crossbow" and "hand-held bow";

9 offense may not own, possess or have under that person's control a crossbow or
10 muzzleloader or archery equipment;

12 along with evidence of gender. It allows these animals to be dismembered for ease of
13 transportation;

17 against persons who abuse another person's property but who may not be involved in an
18 activity such as hunting, fishing or trapping;
- 19 11. Sets August 1st as the beginning date for bear baiting season; and

23 administrators approved by the commissioner.
