2 amended to read:

3 J. For ~~offices elected~~ elections determined by ranked-choice voting, the ballot must

8 amended to read:

9 Except for elections determined by ranked-choice voting, the following provisions
10 apply to the counting of ballots. The election clerks shall count the ballots under the
11 supervision of the warden as soon as the polls are closed, except that if, in the opinion of
12 the municipal clerk the public interests will best be served, referendum ballots may be
13 counted on the day immediately following the election, as long as the count is completed
14 within 24 hours after the polls are closed. If referendum ballots are counted under this
15 exception, the municipal clerk is responsible for the security and safekeeping of the
16 ballots until the count has been completed.

9 votes for each continuing candidate must be counted. Each continuing ballot counts as
10 one vote for its highest-ranked continuing candidate for that round. Exhausted ballots are
11 not counted for any continuing candidate. The round then ends with one of the following
12 2 potential outcomes.

13 A. If there are 2 or fewer continuing candidates, the candidate with the most votes is
14 declared the winner of the election.

8 **SUMMARY**

9 This amendment, which replaces the constitutional resolution, is one of 2 reports of
 10 the committee. This amendment does not affect the use of the ranked-choice voting
 11 method for the primary nomination elections to the office of the Governor and to the
 12 Legislature. The amendment requires the ratification of an amendment to the
 13 Constitution of Maine that approves the use of the ranked-choice voting method for those
 14 offices before that method may be used.

15 This amendment requires the Secretary of State to adopt routine technical rules for
 16 the administration of ranked-choice voting, including the administration of recounts.

17 This amendment also provides funding to the Secretary of State and the Department
 18 of Public Safety to implement ranked-choice voting.
