## Fiscal Note

Transfer of land

### Fiscal Detail and Notes

This resolve transfers a parcel of land, approximately .30 acres, from the Colburn House State Historic Site in Pittston to the First Congregational Church in Pittston. The transfer will allow the church to build a small addition and have room for the required setback from the state property. The Director of the Bureau of Parks and Lands within the Department of Agriculture, Conservation and Forestry is authorized to make the transfer "for negotiated value". The Director has indicated the land is of little significant value to the State and it appears there will be no effort to obtain compensation for the transfer of this property.
