128TH LEGISLATURE
SECOND REGULAR SESSION

COMMITTEE AMENDMENT "A" to H.P. 1274, L.D. 1832, Bill, "An Act To Implement Recommendations of the Right To Know Advisory Committee Concerning Remote Participation"

Amend the bill by striking out everything after the enacting clause and before the summary and inserting the following:

PART A

Sec. A-1. 1 MRSA §403-A is enacted to read:

§403-A. Remote participation in public proceedings

It is the intent of the Legislature that actions of public bodies subject to this subchapter be taken openly and their deliberations be conducted openly. This section governs participation in a public proceeding of such a public body by a member of that public body when the member is not physically present. Remote participation, which means participation through telephonic, video, electronic or other similar means of communication may not be used to defeat the purposes of this subchapter as stated in section 401. The Legislature may not allow its members to participate remotely in public proceedings of the Legislature.

1. Remote participation; requirements. Except as provided in subsection 5, a public body subject to this subchapter may not allow a member of the public body to participate remotely in any of its public proceedings unless the participation is in accordance with this subchapter and:

A. After notice and public hearing, the public body has adopted a written policy or rule that authorizes a member of the public body who is not physically present to participate in a public proceeding of that public body in a manner that allows all members to simultaneously hear and speak to each other during the public proceeding and allows members of the public attending the public proceeding at the location identified in the notice required by section 406 to hear all members of the public body. The policy may not allow remote participation in executive sessions. The

1 policy must prohibit a member who is participating remotely from voting on an issue
2 that was discussed in an executive session if the executive session immediately
3 precedes the proceeding in which the vote is taken;

4 B. For public bodies consisting of 3 or fewer members, at least one member is
5 physically present at the location identified in the notice required by section 406; and,
6 for public bodies of more than 3 members, a quorum is physically present at the
7 location identified in the notice required by section 406, unless immediate action is
8 imperative and physical presence of a quorum is not reasonably practicable within the
9 period of time in which action must be taken. The determination that a quorum is not
10 required under this paragraph must be made by the presiding officer of the public
11 body and the facts supporting that determination must be included in the record of the
12 meeting. A public body of 3 or more members may not consider matters other than
13 those requiring immediate action in a public proceeding held pursuant to this
14 subsection when a quorum is not physically present. Every member must be
15 physically present for at least one proceeding each year;

16 C. Each member of the public body who is participating in the public proceeding
17 remotely identifies for the record all persons present at the location from which the
18 member is participating. The member shall note for the record when any person
19 enters or leaves the location throughout the course of the public proceeding;

20 D. All votes taken during the public proceeding are taken by roll call;

21 E. A member of the public body who is not physically present at the location
22 identified in the notice required by section 406 does not participate and does not vote
23 in an adjudicatory proceeding; and

24 F. Each member of the public body who is participating in the public proceeding
25 remotely receives any documents or other materials presented or discussed at the
26 public proceeding in advance or when made available at the public proceeding if the
27 transmission technology is available. Failure to comply with this subsection does not
28 invalidate an action of the body.

29 **2. State public bodies.** The policy under subsection 1 applicable to a state public
30 body must be adopted by the public body as a major substantive rule under the Maine
31 Administrative Procedure Act.

32 **3. County and municipal public bodies.** A county or municipality may by
33 ordinance require stricter requirements than those set out in this section and may prohibit
34 remote participation by any public body under its jurisdiction.

35 **4. Elected public bodies.** A public body consisting of elected members may adopt a
36 policy under subsection 1 only after the constituents of the public body have voted to
37 authorize the public body to adopt the remote participation policy. The public body must
38 provide notice and hold a separate hearing before adopting the remote participation
39 policy.

40 **5. Exceptions.** The following public bodies are exempt from the provisions of this
41 section and a member of the following bodies may participate in a public proceeding of
42 the public body when the member is not physically present:

43 A. The Finance Authority of Maine, as provided in Title 10, section 971;

15 **Sec. B-1. 10 MRSA §971, as amended by PL 1995, c. 117, Pt. C, §1, is repealed.**

16 **Sec. B-2. 10 MRSA §971-A is enacted to read:**

17 **§971-A. Actions of the members**

18 1. Quorum required. Seven members of the authority constitute a quorum of the
19 members. The affirmative vote of the greater of 5 members, present and voting, or a
20 majority of those members present and voting is necessary for any action taken by the
21 members. A vacancy in the membership of the authority does not impair the right of the
22 quorum to exercise all powers and perform all duties of the members.

23 2. Emergency meeting. Notwithstanding any other provision of law, in a situation
24 determined by the chief executive officer to be an emergency requiring action of the
25 members on not more than 3 days' oral notice, an emergency meeting of the members
26 may be conducted by telephone in accordance with the following.

27 A. A conference call to the members must be placed by ordinary commercial means
28 at an appointed time.

30 appropriate and prepare minutes of the emergency meeting.

31 C. Public notice of the emergency meeting must be given in accordance with Title 1,
32 section 406 and that public notice must include the time of the meeting and the
33 location of a telephone with a speakerphone attachment that enables all persons
34 participating in the telephone meeting to be heard and understood and that is
35 available for members of the public to hear the business conducted at the telephone
36 meeting.

37 This subsection is repealed July 1, 2022.

PART C

Sec. C-1. 1 MRSA §431, sub-§4 is enacted to read:

4. Remote participation. "Remote participation" means participation in a public proceeding by a member of the body that is holding or conducting the public proceeding while the member is not physically present at the location of the public proceeding identified in the notice required by section 406.

Sec. C-2. 1 MRSA §435 is enacted to read:

§435. Review of proposed remote participation authorization

1. Procedures before legislative committees. Whenever a legislative measure containing a new remote participation authorization or a change that affects the accessibility of a public proceeding is proposed, the joint standing committee of the Legislature having jurisdiction over the proposal shall hold a public hearing and determine the level of support for the proposal among the members of the committee. If there is support for the proposal among a majority of the members of the committee, the committee shall request the review committee to review and evaluate the proposal pursuant to subsection 2 and to report back to the committee of jurisdiction. A proposed remote participation authorization or proposed change that affects the accessibility of a public proceeding may not be enacted into law unless review and evaluation pursuant to subsection 2 have been completed.

2. Review and evaluation. Upon referral of a proposed remote participation authorization or proposed limitation on accessibility from the joint standing committee of the Legislature having jurisdiction over the proposal, the review committee shall conduct a review and evaluation of the proposal and shall report in a timely manner to the committee to which the proposal was referred. The review committee shall use the following criteria to determine whether the proposed remote participation authorization should be enacted:

- A. Geographic distribution of members;
- B. Demonstrated need based on emergency nature of action;
- C. Demonstrated need based on exigent circumstances, such as a natural disaster or an emergency declaration by the Governor directly related to the activities of the body; and
- D. Any other criteria that assist the review committee in determining the value of the proposed remote participation authorization as compared to the public's interest in all members participating.

3. Report. The review committee shall report its findings and recommendations on whether the proposed remote participation authorization or proposed limitation on accessibility to public proceedings should be enacted to the joint standing committee of the Legislature having jurisdiction over the proposal.'

This amendment is the minority report of the Joint Standing Committee on Judiciary. This amendment makes the following changes to the bill.

1. It prohibits remote participation in executive session. It also prohibits a member who is participating remotely in a proceeding from voting on an issue that was discussed in executive session that immediately preceded the vote in the public proceeding.

2. It changes, for public bodies that consist of 3 or fewer members, the requirement that a quorum be physically present. It requires at least one member of the public body of 3 or fewer members to be physically present at the location identified in the meeting notice.

3. It requires that each member of a public body subject to the Freedom of Access Act be physically present in at least one public proceeding each year.

4. It requires that a state public body adopt its remote participation policy as a major substantive rule under the Maine Administrative Procedure Act.

5. It authorizes municipalities and counties to impose stricter requirements than are provided in this amendment and allows municipalities and counties to prohibit the use of remote participation by any public body under their jurisdictions. The stricter requirements or the prohibition must be imposed through the adoption of an ordinance by the municipality or the county.

6. It provides that an elected public body may adopt a remote participation policy only after the constituency of the elected public body has voted to authorize the body to adopt the policy.

7. It provides, in Parts A and B, that the exemptions for the 7 entities whose statutes currently provide for remote participation expire on July 1, 2022. Those entities will need to adopt policies that comply with the law to continue any remote participation.

8. It amends, in Part C, the Freedom of Access Act to require the joint standing committee of the Legislature having jurisdiction over judiciary matters to conduct a review of any proposed statutory authorization of remote participation or change in accessibility with respect to public proceedings.
