Resolved: That, no later than January 1, 2020, the Department of Health and Human Services shall submit a request to the United States Department of Health and Human Services, Centers for Medicare and Medicaid Services to amend the existing federal 1915(c) waiver, granted pursuant to the Social Security Act, 42 United States Code, Section 1396n(c), that provides home and community-based services under the department's rule Chapter 101: MaineCare Benefits Manual, Chapter II, Section 19 to allow eligible members to receive services provided by spouses who are employed as personal support specialists to provide those services. Sec. 2. Rulemaking. Resolved: That the Department of Health and Human Services, upon receiving notice of approval for the amendment to the federal 1915(c) waiver from the United States Department of Health and Human Services, Centers for Medicare and Medicaid Services pursuant to section 1, shall amend the department's rule Chapter 101: MaineCare Benefits Manual, Chapter II, Section 19 to allow for spouses to be employed as personal support specialists for eligible members. The department shall submit a final report no later than January 1, 2021 outlining the progress of receiving and implementing the amended federal 1915(c) waiver, and, if the amended federal waiver is granted, the report must include data on the number of people receiving services under the department's rule Chapter 101: MaineCare Benefits Manual, Chapter II, Section 19 who employ personal support specialists who are spouses; the costs or savings from the employment of spouses as personal support specialists; and recommendations on the feasibility of future similar expansion to other MaineCare programs or other potential waivers available under Medicaid. The joint standing committee of the Legislature having jurisdiction over health and human services matters may report out a bill to the First Regular Session of the 130th Legislature regarding any recommendations contained in the report.

36 SUMMARY

This resolve requires the Department of Health and Human Services to submit a request to the United States Department of Health and Human Services, Centers for Medicare and Medicaid Services to amend the current federal 1915(c) waiver so that eligible members receiving home and community-based services under the department's rule Chapter 101: MaineCare Benefits Manual, Chapter II, Section 19 will be able to receive services provided by spouses who are employed as personal support specialists to provide those services. It requires the department to amend its rules after the amended

waiver approval has been received from the Federal Government. The resolve requires
the department to provide an interim report regarding the progress in applying for,
receiving and implementing the amended waiver and a final report with data on the
number of individuals receiving services from spouses, any information about costs or
savings and recommendations about the feasibility for similarly expanding other
MaineCare programs or other potential waiver programs available under Medicaid.
