1 **Emergency preamble. Whereas,** acts and resolves of the Legislature do not
2 become effective until 90 days after adjournment unless enacted as emergencies; and

3 **Whereas,** because the reimbursement amount for beverage container handling costs
4 has not increased in years, some redemption centers in the State have been forced to
5 close; and

6 **Whereas,** this legislation increases the reimbursement amount beginning June 1,
7 2019; and

8 **Whereas,** in the judgment of the Legislature, these facts create an emergency within
9 the meaning of the Constitution of Maine and require the following legislation as
10 immediately necessary for the preservation of the public peace, health and safety; now,
11 therefore,

12 **Be it enacted by the People of the State of Maine as follows:**

13 **Sec. 1. 38 MRSA §3106, sub-§7,** as enacted by PL 2015, c. 166, §14, is amended
14 to read:

15 **7. Reimbursement of handling costs.** Reimbursement of handling costs is
16 governed by this subsection.

17 A. In addition to the payment of the refund value, the initiator of the deposit under
18 section 3103, subsections 1, 2 and 4 shall reimburse the dealer or local redemption
19 center for the cost of handling beverage containers subject to section 3103, in an
20 amount that equals at least 3¢ per returned container for containers picked up by the
21 initiator before March 1, 2004, at least 3 1/2¢ for containers picked up on or after
22 March 1, 2004 and before March 1, 2010 ~~and~~, at least 4¢ for containers picked up on
23 or after March 1, 2010 and before June 1, 2019 and at least 5¢ for containers picked
24 up on or after June 1, 2019. The initiator of the deposit may reimburse the dealer or
25 local redemption center directly or indirectly through a party with which it has
26 entered into a commingling agreement.

27 B. In addition to the payment of the refund value, the initiator of the deposit under
28 section 3103, subsection 3 shall reimburse the dealer or local redemption center for
29 the cost of handling beverage containers subject to section 3103 in an amount that
30 equals at least 3¢ per returned container for containers picked up by the initiator
31 before March 1, 2004, at least 3 1/2¢ for containers picked up on or after March 1,
32 2004 and before March 1, 2010 ~~and~~, at least 4¢ for containers picked up on or after
33 March 1, 2010 and before June 1, 2019 and at least 5¢ for containers picked up on or
34 after June 1, 2019. The initiator of the deposit may reimburse the dealer or local
35 redemption center directly or indirectly through a contracted agent or through a party
36 with which it has entered into a commingling agreement.

37 C. The reimbursement that the initiator of the deposit is obligated to pay the dealer or
38 redemption center pursuant to paragraph A or B must be reduced by 1/2¢ for any
39 returned container that is subject to a qualified commingling agreement that allows
40 the dealer or redemption center to commingle beverage containers of like product

1 group, material and size. A commingling agreement is qualified for purposes of this
2 paragraph if the department determines that 50% or more of the beverage containers
3 of like product group, material and size for which the deposits are being initiated in
4 the State are covered by the commingling agreement or that the initiators of deposit
5 covered by the commingling agreement are initiators of deposit for wine containers
6 who each sell no more than 100,000 gallons of wine or 500,000 beverage containers
7 that contain wine in a calendar year. Once the initiator of deposit has established a
8 qualified commingling agreement for containers of a like product group, material and
9 size, the department shall allow additional brands to be included from a different
10 product group if they are of like material. The State, through the Department of
11 Administrative and Financial Services, Bureau of Alcoholic Beverages and Lottery
12 Operations, shall make every reasonable effort to enter into a qualified commingling
13 agreement under this paragraph with every other initiator of deposit for beverage
14 containers that are of like product group, size and material as the beverage containers
15 for which the State is the initiator of deposit.

16 ~~D. Paragraphs A, B and C do not apply to a brewer who annually produces no more~~
17 ~~than 50,000 gallons of its product or a bottler of water who annually sells no more~~
18 ~~than 250,000 containers each containing no more than one gallon of its product. In~~
19 ~~addition to the payment of the refund value, an initiator of deposit under section~~
20 ~~3103, subsections 1 to 4 who is also a brewer who annually produces no more than~~
21 ~~50,000 gallons of its product or a bottler of water who annually sells no more than~~
22 ~~250,000 containers each containing no more than one gallon of its product shall~~
23 ~~reimburse the dealer or local redemption center for the cost of handling beverage~~
24 ~~containers subject to section 3103 in an amount that equals at least 3¢ per returned~~
25 ~~container.~~
