7 and management of suicidal persons, including knowledge of community resources  
8 and cultural factors. Continuing education courses taken pursuant to this paragraph  
9 may be used to satisfy the licensee's other continuing education requirements.

10 **SUMMARY**

11 This bill adds a new requirement for the renewal of professional licenses for  
12 psychologists, social workers and licensed clinical professional counselors that each must  
13 show proof upon renewal that the licensee has completed a minimum of 6 hours of course  
14 work every 10 years in suicide prevention, evidence-based suicide risk assessment or the  
15 treatment and management of suicidal persons, including knowledge of community  
16 resources and cultural factors. These courses may be used to satisfy the licensee's other  
17 continuing education requirements. The bill also changes, from January 1, 2020 to  
18 January 1, 2022, the date that licensed clinical professional counselors must begin  
19 demonstrating successful completion of a minimum of 12 hours of course work in family  
20 or intimate partner violence.
