Fiscal Note for Bill as Amended by Committee Amendment

A(H-160)

Committee: Health and Human Services

Fiscal Note Required: Yes

Fiscal Note

Potential current biennium cost increase - General Fund
Potential current biennium cost increase - Federal Expenditures Fund

Fiscal Detail and Notes

Establishing a pilot project in Washington County to provide treatment and recovery services for people with substance use disorder will require substantial time and resources from DHHS to assist with mobilizing, implementing, operating and evaluating the pilot project. As it is not known what potential federal funding may be available to fund this pilot and what type of services and administration might be covered by those federal sources, it is not currently known what impact this bill will have on DHHS funding.
