It continues funding for 5 limited-period Environmental Specialist III positions instead of making the positions permanent. It also amends the section that repeals the lead poisoning prevention fee when a period of 24 months has elapsed since the Department of Health and Human Services identified a child with an elevated blood lead level from a level of blood lead of 10 micrograms per deciliter to 5 micrograms per deciliter. It adds an appropriations and allocations section. | | | | |
