1 **Be it enacted by the People of the State of Maine as follows:**

2 **Sec. 1. 32 MRSA §1202-A, sub-§3, ¶B**, as enacted by PL 2017, c. 198, §17, is
3 amended to read:

4 B. In order to obtain a license under this subsection, a person must first pass an
5 examination approved by the board and provide evidence of having:

6 (1) Completed at least 2,000 work hours in the field of electrical installations as
7 a licensed helper electrician under the direct supervision of a master electrician,
8 journeyman electrician or limited electrician; graduated from an accredited
9 community college electrical program or a vocational-electrical program of a
10 state department of corrections or completed a career and technical electrical
11 education program approved pursuant to Title 20-A, section 8306-B as a
12 secondary student; and completed a course of 45 hours in the current National
13 Electrical Code; or

14 (2) Comparable work experience or education or training, or a combination of
15 work experience, education and training, completed within the State or outside
16 the State, that is acceptable to the board.

17 **SUMMARY**

18 This bill allows the Electricians' Examining Board to accept satisfactory evidence of
19 completion of a career and technical electrical education program approved pursuant to
20 the Maine Revised Statutes, Title 20-A, section 8306-B as a secondary student when
21 issuing a journeyman-in-training electrician license.
