17 **SUMMARY**

18 This bill, based on the recommendations of the study conducted jointly by the
19 Department of Transportation, the Maine Turnpike Authority and the City of Saco,
20 provides 40% of the estimated cost of the construction of a new exit and spur from the
21 Maine Turnpike to serve communities near Exit 36 of the Maine Turnpike, such as Saco,
22 Old Orchard Beach and Hollis. The recommendation of the study was for the cost to be
23 split as follows: 40% to be provided by the Department of Transportation; 40% to be
24 provided by the Maine Turnpike Authority; and 20% to be provided by the City of Saco.
