30 **SUMMARY**

31 This bill amends laws relating to the Maine Uniform Building and Energy Code.

32 1. It provides that beginning July 1, 2020, the Maine Uniform Building and Energy
33 Code must be enforced in all municipalities regardless of population.

34 2. It exempts a house constructed and occupied prior to January 1, 2007 or any
35 modification of or addition to a house constructed and occupied prior to January 1, 2007
36 other than a complete demolition and rebuilding of the house from the requirements of
37 the Maine Uniform Building and Energy Code. A municipality is prohibited from
38 requiring architectural plans to be filed for such a modification or addition.

1 3. It removes the option for municipalities to use 3rd-party inspectors contracted and
2 paid for by building owners and requires municipalities that use 3rd-party inspectors to
3 contract directly with these inspectors and to select them through a competitive bidding
4 process. It allows 3rd-party inspectors to jointly bid on a competitive solicitation by a
5 municipality.
