17 SUMMARY

18 This amendment, which is the majority report of the committee, makes several
19 changes to the law governing lobbyist registration forms. It allows lobbyists, who are
20 authorized in limited circumstances under current law to request an extension to complete
21 or an exemption from completing required harassment training, to request the extension
22 or exemption on the registration form. It also requires that the date each lobbyist
23 associate completed the harassment training be listed on the registration form or, if the
24 training has not been completed, allows the lobbyist to request for the lobbyist associate
25 an extension to complete or exemption from completing the required harassment training
26 on the registration form.

27 The amendment repeals and replaces the definition of "lobbying firm" in the law
28 governing campaign contributions by lobbyists, lobbyist associates and lobbying firms,
29 which was recently enacted in Public Law 2019, chapter 534, to align it with the bill's
30 definition. It also makes several technical amendments to the bill.
