1 **Sec. 1. Referendum procedure; form of question. Resolved:** That the
2 county commissioners of Hancock and Washington counties shall notify the inhabitants
3 of their respective counties to meet, in the manner prescribed by law for holding a
4 statewide election, at the statewide election held in the month of November 2020, to vote
5 upon the following question:

6 "Do you favor directing the county commissioners to dissolve Prosecutorial
7 District Number 7 and develop a plan to either establish a separate prosecutorial
8 district or join a neighboring prosecutorial district?"

9 The voters shall indicate their opinion on this question by a cross or check mark
10 placed against the word "Yes" or "No."

11 The method of voting and the conduct of the referendum are governed by the Maine
12 Revised Statutes, Title 21-A, and the county commissioners or county administrators
13 shall perform the duties of the Secretary of State prescribed by Title 21-A in the same
14 manner as the county commissioners are required to do in the case of a county bond
15 referendum election held pursuant to Title 30-A, section 938.

16 **Sec. 2. Certification filed with Secretary of State. Resolved:** That the
17 results of a referendum under section 1 must be declared by the county commissioners or
18 county administrators of Hancock and Washington counties and due certificate filed by
19 the county commissioners or county administrator of each county with the Secretary of
20 State within 10 days after the date of the election.

21 **Sec. 3. Submission of plan. Resolved:** That, if the referendum question under
22 section 1 passes by a majority vote in both Hancock and Washington counties, the county
23 commissioners of each county shall submit a plan to the joint standing committee of the
24 Legislature having jurisdiction over state and local government matters by February 1,
25 2021. The plan must state whether the county commissioners seek to form a new
26 prosecutorial district or whether the commissioners intend the county to join a
27 neighboring prosecutorial district. If a plan proposes that the county join a neighboring
28 district, the plan must include a letter from the county commissioners of the neighboring
29 district agreeing to the plan.

30 **Sec. 4. Legislation. Resolved:** That, if plans are submitted pursuant to section 3,
31 the joint standing committee of the Legislature having jurisdiction over state and local
32 government matters shall introduce legislation during the First or Second Regular Session
33 of the 130th Legislature implementing the plans for Hancock and Washington counties
34 for dissolving Prosecutorial District Number 7 and for each county to either establish a
35 new prosecutorial district or join an existing district. The effective date of such
36 legislation must be January 1, 2023.

37 **Sec. 5. District Attorney for Prosecutorial District Number 7; term of
38 office. Resolved:** That, if the referendum question under section 1 passes by a
39 majority vote in both Hancock and Washington counties and legislation is enacted as
40 required in section 4, the district attorney for Prosecutorial District Number 7 shall
41 continue to serve in that position until January 1, 2023.

SUMMARY

2 This resolve requires the county commissioners of Hancock and Washington counties
3 to submit a referendum question to the voters at the statewide election in November 2020.
4 The referendum question is whether the voters of each county desire to direct the county
5 commissioners to dissolve Prosecutorial District Number 7 and develop a plan to either
6 establish a separate prosecutorial district or join a neighboring prosecutorial district. If a
7 majority of voters in both counties vote in favor of this referendum question, the county
8 commissioners of both counties are directed to develop and submit a plan to the joint
9 standing committee of the Legislature having jurisdiction over state and local government
10 matters by February 1, 2021. If the county commissioners plan to join a neighboring
11 prosecutorial district, the county commissioners of that neighboring district are required
12 to submit a report to the committee stating their consent to the addition. The committee
13 is directed to introduce legislation in the First or Second Regular Session of the 130th
14 Legislature that implements the plans of the counties. The plans and the dissolution of
15 Prosecutorial District Number 7 take effect January 1, 2023.
