Presented by Senator SANBORN, H. of Cumberland. Cosponsored by Representative TEPLER of Topsham and Senator: FOLEY of York. 1 **Emergency preamble. Whereas,** acts and resolves of the Legislature do not 2 become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, current law requires a peer-to-peer car sharing program provider to provide property and casualty coverage, including comprehensive and collision protection, for physical loss to the shared vehicle during the time that the vehicle is in the custody of the provider or shared vehicle driver in an amount not less than the replacement cost of the shared vehicle beginning June 1, 2020; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

17 Be it enacted by the People of the State of Maine as follows:

Sec. 1. 24-A MRSA §7403, sub-§4, ¶A, as enacted by PL 2019, c. 367, §1, is

Sec. 2. 24-A MRSA §7404, sub-§1, as enacted by PL 2019, c. 367, §1, is
amended to read:

Notwithstanding any provision of law to the 29 contrary or any provision in a motor vehicle insurance policy, in the event a loss or injury 30 occurs during a car sharing period or while a motor vehicle is under the control of a 31 32 provider, the provider is deemed the owner of the motor vehicle under Title 29-A, section 1652 and any provision of law that may impose liability upon the owner of a motor 33 vehicle solely based on ownership of the motor vehicle. The provider retains liability 34 regardless of any lapse in the provider's policy or whether that liability is covered under 35 the provider's policy or any other insurance policy under which the provider is insured. 36 The liability of a provider under this subsection may not exceed 3 times the minimum 37 requirements for liability in Title 29-A, section 1605. 38

7 Sec. 4. 24-A MRSA §7405, sub-§3, as enacted by PL 2019, c. 367, §1, is 8 amended to read:

3. Filing of rates and forms. For the purposes of any insurance policy written in

- 16 SUMMARY
- This bill makes the following changes to clarify the Peer-to-peer Car SharingInsurance Act.
- 19 1. It allows a peer-to-peer car sharing program provider to provide satisfactory 20 evidence of solvency and a financial ability to pay in lieu of comprehensive and collision 21 insurance coverage.
- 22 2. It limits the liability of a peer-to-peer car sharing program provider for a loss or 23 injury during a car sharing period or while a motor vehicle is under the control of a 24 provider to no more than 3 times the State's minimum financial responsibility 25 requirements.

3. It provides that a peer-to-peer car sharing program provider is not liable for a loss or injury during a car sharing period or while a motor vehicle is under the control of a provider and the insurer of such a provider does not have a duty to defend and indemnify a shared vehicle owner or shared vehicle driver when a shared vehicle owner or shared vehicle driver commits intentional fraud or makes a material misrepresentation to a provider and the loss or injury resulted from the fraud or material misrepresentation.

32 4. It clarifies that surplus lines insurance may be used.
