3 further amended to read:

4 **3. Duties of school entities.** A school entity shall notify the department immediately

10 endangered. The school entity shall provide to the department any final report produced
11 in support of the school entity's decision to discipline, suspend or terminate the credential
12 holder. The credential holder who is the subject of the report may submit to the
13 department a written rebuttal to the report. The written rebuttal must be placed in the
14 department's investigative file.

15 **Sec. 2. 20-A MRSA §13025, sub-§4**, as amended by PL 2019, c. 403, §1, is
16 further amended to read:

17 **4. Duties of department.** The department shall act in accordance with this
18 subsection.

19 A. The department shall notify the superintendent or chief administrative officer of a
20 school entity ~~within 15 business days~~ immediately of the department's initiating an
21 investigation into a holder of a credential who works for the school entity and shall
22 notify the school entity immediately if the department takes action on that credential.
23 Within 5 business days after completion of an investigation, the department shall
24 notify each school entity for which the credential holder works of the final outcome
25 of the investigation, including, but not limited to, any actions taken, and shall provide
26 to the school entity any final written decision.

27 B. Immediately upon receipt from a school entity of notification pursuant to
28 subsection 3 of the discipline, suspension or termination of a credential holder, or the

2 appeal at the school entity level.

3 **SUMMARY**

4 The majority of the Joint Standing Committee on Education and Cultural Affairs

7 investigations of educator credential holders. The bill does the following.

8 1. It provides that a school entity must notify the Department of Education
9 immediately if a credential holder who is the subject of a covered investigation leaves the
10 school's employment upon the conclusion of the covered investigation and that if a
11 credential holder provides consent as part of that credential holder's application for

13 employment with a school entity upon completion of a covered investigation.

18 reports related to a finding resulting in discipline, suspension or termination of a
