FIRST REGULAR SESSION**

COMMITTEE AMENDMENT "A" to H.P. 39, L.D. 73, "An Act To Authorize Municipalities To Allow Harbor Masters and Deputy Harbor Masters To Use Red and White Auxiliary Lights and Sirens When Responding to Emergencies"

Amend the bill by striking out the title and substituting the following:

'An Act To Authorize Municipalities To Allow Harbor Masters and Deputy Harbor Masters To Use Red or Combination Red and White Auxiliary Lights When Responding to Watercraft Emergencies'

Amend the bill in section 1 by striking out all of subparagraph (5) (page 1, lines 4 to 7 in L.D.) and inserting the following:

'(5) A municipality may authorize a harbor master or deputy harbor master appointed under Title 38, section 1 or 2, respectively, to use one red or combination red and white flashing auxiliary light mounted in the windshield or on the dashboard at the front of a vehicle or 2 flashing red or combination red and white auxiliary lights mounted on the front of the vehicle above the front bumper and below the hood and one red auxiliary light mounted in the rear window area. The light or lights may be displayed but may be used only while the harbor master or deputy harbor master is responding to a watercraft emergency. A light mounted on the dashboard or in the windshield must be shielded so that the emitted light does not interfere with the operator's vision. The authorization for the use of lights may be revoked at any time by the municipality.'

Amend the bill by relettering or renumbering any nonconsecutive Part letter or section number to read consecutively.
