5           **Whereas,** in the judgment of the Legislature, these facts create an emergency within  
6 the meaning of the Constitution of Maine and require the following legislation as  
7 immediately necessary for the preservation of the public peace, health and safety; now,  
8 therefore,

9           **Be it enacted by the People of the State of Maine as follows:**

10           **Sec. 1. 21-A MRSA §1006** is enacted to read:

11           **§1006. Referendum contributions, expenditures and participation by foreign**  
12           **government-owned entities prohibited**

13           **1. Definition.** As used in this section, unless the context otherwise indicates, "foreign  
14 government-owned entity" means an entity with respect to which a foreign government  
15 holds, owns, controls or otherwise has direct or indirect beneficial ownership of 10% or  
16 more of the total equity, outstanding voting shares, membership units or other applicable  
17 ownership interests.

18           **2. Contribution prohibited.** A foreign government-owned entity may not make,  
19 directly or indirectly, a contribution of money or anything of value to influence a  
20 referendum.

21           **3. Solicitation or acceptance of contribution prohibited.** A person may not solicit,  
22 accept or receive a contribution described in subsection 2 from a foreign government-  
23 owned entity.

24           **4. Expenditure prohibited.** A foreign government-owned entity may not make,  
25 directly or indirectly, an expenditure to influence a referendum.

26           **5. Participation prohibited.** A foreign government-owned entity may not direct,  
27 dictate, control or directly or indirectly participate in the decision-making process of any

31 violates this section commits a civil violation for which a fine of not more than \$100,000  
32 or twice the amount of the contribution or expenditure involved in the violation, whichever  
33 is greater, may be adjudged. In assessing a penalty, the commission shall consider, among  
34 other things, whether the violation was intentional and whether the person who committed  
35 the violation attempted to conceal or misrepresent the identity of the foreign government-  
36 owned entity that made a direct or indirect contribution prohibited in subsection 2 or 3, that  
37 made a direct or indirect expenditure prohibited in subsection 4 or that directly or indirectly  
38 participated in the decision-making process of any person as prohibited in subsection 5.
