Be it enacted by the People of the State of Maine as follows:

Sec. 1. 36 MRSA §5216-E is enacted to read:

§5216-E. Food donation credit

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Commercial agricultural production" has the same meaning as under section 2013, subsection 1, paragraph A.

B. "Commercial aquacultural production" has the same meaning as under section 2013, subsection 1, paragraph A-1.

C. "Commercial fishing" has the same meaning as under section 2013, subsection 1, paragraph B.

D. "Low-income individual" means an individual who is a member of a lower income household as defined in Title 30-A, section 5002, subsection 11 or who is homeless as defined in Title 30-A, section 5002, subsection 6.

E. "Wholesale market price" means the market price for a product determined either by:

(1) The amount paid to the producer of the product by the last previous cash buyer of the product; or

(2) If there is no previous cash buyer of the product, an amount based on the market price for the product of the nearest regional wholesale buyer or the regional so-called "u-pick" market price for the product offered to customers who harvest products of their choice.

2. Credit. A person engaged in commercial agricultural production, commercial aquacultural production or commercial fishing may claim a credit against the taxes imposed by this Part equal to 10% of the wholesale market price of agricultural products, aquacultural products or fishing products, respectively, donated to a food bank, food kitchen or other organization that is exempt from taxation under Section 501(c) of the Code or incorporated under Title 13-B, that is located in this State and that provides food to low-income individuals without charging a fee for the food or requiring any other type of compensation from the low-income individuals. The credit under this section may not exceed \$5,000. A person applying for a credit under this section must submit with the application a written statement from the donee that the products donated will be used by the donee for charitable purposes and for the care of individuals who are ill, needy or malnourished.

Sec. 2. Application. This Act applies to tax years beginning on or after January 1, 2022.

SUMMARY

This bill provides an income tax credit for persons engaged in commercial agricultural production, commercial aquacultural production or commercial fishing for donations to a food bank, food kitchen or other tax-exempt organization that provides food to low-income individuals without charging a fee for the food or requiring any other type of compensation

- 1 from the low-income individuals. The credit is equal to 10% of the wholesale market price
- 2 of the donated products up to a maximum of \$5,000.
