**STATE OF MAINE
SENATE
130TH LEGISLATURE
FIRST SPECIAL SESSION**

COMMITTEE AMENDMENT “ A ” to S.P. 140, L.D. 313, “An Act To Advance Career and Technical Education Opportunities in Maine”

Amend the bill by striking out the title and substituting the following:

'Resolve, To Advance Career and Technical Education Opportunities in Maine'

Amend the bill by striking out everything after the title and inserting the following:

'Sec. 1. Department of Education to convene a work group. Resolved: That the Department of Education shall convene a work group, referred to in this resolve as "the work group," to explore innovative approaches to advancing career and technical education opportunities for middle and high school students.

Sec. 2. Membership. Resolved: That the Department of Education shall invite the following persons to participate in the work group:

1. One member of a regional chamber of commerce;
2. One member of the Maine State Chamber of Commerce;
3. One superintendent of a school administrative unit that has an industrial arts program;
4. One representative from a trade association;
5. One representative from the Maine Community College System;
6. One member of the Maine Association of Nonprofits;
7. One parent of a current career and technical education student;
8. One student from a career and technical education and bridge program;
9. One representative from an organization representing superintendents;
10. One representative from an organization representing principals;
11. One representative from an organization representing career and technical education directors;

COMMITTEE AMENDMENT

ROS

- 1 12. One principal of a school;
- 2 13. One member of the Maine Climate Council;
- 3 14. The Commissioner of Labor or the commissioner's designee; and
- 4 15. The Commissioner of Economic and Community Development or the
- 5 commissioner's designee.

6 **Sec. 3. Duties. Resolved:** That the work group shall:

- 7 1. Conduct a statewide inventory of available career and technical education programs;
- 8 2. Identify existing systemic barriers to expanding access to career and technical
- 9 education programs;
- 10 3. Explore options for career and technical education programs to be included in
- 11 science, technology, engineering and mathematics, or STEM, endorsements;
- 12 4. Recommend changes to the career and technical education teacher certification
- 13 process to address the shortage of career and technical education teachers by
- 14 acknowledging skills demonstrated in a trade or profession;
- 15 5. Propose multiple college and career pathways for students to learn and demonstrate
- 16 their knowledge in the career and technical education setting while creating programs that
- 17 address the State's critical workforce shortage;
- 18 6. Consider new pathways within career and technical education programs by:
 - 19 A. Proposing career and technical education course work for school counselor
 - 20 certification;
 - 21 B. Exploring an industrial arts pathway under the career and technical education
 - 22 program framework;
 - 23 C. Considering technical mathematics and technical writing as equivalencies to local
 - 24 secondary school course work requirements; and
 - 25 D. Exploring the availability of internships and apprenticeships statewide related to a
 - 26 program of study;
- 27 7. Consider refinements to career and technical education certification including:
 - 28 A. Changing current endorsement codes to their assigned classification of instructional
 - 29 program codes;
 - 30 B. Creating an endorsement code for the career and technical education essential
 - 31 programs and services funded positions of career and technical education student
 - 32 services coordinator and career and technical education career counselor; and
 - 33 C. Initiating a career and technical education certification sub-workgroup composed
 - 34 of Department of Education representatives, career and technical education directors,
 - 35 career and technical education student services coordinators and career and technical
 - 36 education career counselors to review career and technical education certification
 - 37 rulemaking; and
- 38 8. Use the data provided by the Maine Education Policy Research Institute draft report
- 39 available in the summer of 2021 to consider the following options:

ROS

- 1 A. Fully funding the essential programs and services career and technical education
- 2 funding formula as proposed by the Maine Education Policy Research Institute to
- 3 support the State Board of Education goal of increasing statewide career and technical
- 4 education enrollment, including an additional per-pupil weight for students with
- 5 special needs and English language learners;
- 6 B. Creating a formula approach to include an allowance for yearly building
- 7 maintenance, capital improvements and equipment costs;
- 8 C. Funding middle school career and technical education separately from high school
- 9 career and technical education based on the data provided at the completion of the
- 10 current pilot projects for middle school career and technical education exploration
- 11 pursuant to the Maine Revised Statutes, Title 20-A, section 15688-A, subsection 8;
- 12 D. Developing a regional index for salary adjustments across the State with a specific
- 13 career and technical education teacher and administrator salary matrix; and
- 14 E. Examining an adjustment to the student-to-teacher ratio for those career and
- 15 technical education programs that have legal requirements or industry restrictions
- 16 determining the student-to-teacher ratio.

17 **Sec. 4. Report. Resolved:** That the Department of Education shall submit an
18 interim report to the Joint Standing Committee on Education and Cultural Affairs no later
19 than December 15, 2021 on the work conducted by the work group and any
20 recommendations developed. The Department of Education shall submit a final report no
21 later than March 15, 2022. The Joint Standing Committee on Education and Cultural
22 Affairs may submit legislation related to either report to the Second Regular Session of the
23 130th Legislature.'

24 Amend the bill by relettering or renumbering any nonconsecutive Part letter or section
25 number to read consecutively.

26 **SUMMARY**

27 This amendment strikes the concept draft and replaces it with a resolve. The resolve
28 directs the Department of Education to convene a work group to explore innovative
29 approaches to advancing career and technical education opportunities for middle and high
30 school students by:

- 31 1. Conducting a statewide inventory of available career and technical education
- 32 programs;
- 33 2. Identifying existing systemic barriers to expanding access to career and technical
- 34 education programs;
- 35 3. Exploring options for career and technical education programs to be included in
- 36 science, technology, engineering and mathematics, or STEM, endorsements;
- 37 4. Recommending changes to the career and technical education teacher certification
- 38 process to address the shortage of career and technical education teachers by
- 39 acknowledging skills demonstrated in a trade or profession;
- 40 5. Proposing multiple college and career pathways for students to learn and
- 41 demonstrate their knowledge in the career and technical education setting while creating
- 42 programs that address the State's critical workforce shortage;

ROS

COMMITTEE AMENDMENT "A" to S.P. 140, L.D. 313 (S-118)

- 1 6. Considering new pathways within career and technical education programming;
- 2 7. Considering refinements to career and technical education certification; and
- 3 8. Using data provided by the Maine Education Policy Research Institute to study the
- 4 career and technical education funding formula.

5 The Department of Education is required to submit an interim report on the work
6 conducted by the work group to the Joint Standing Committee on Education and Cultural
7 Affairs no later than December 15, 2021 and a final report no later than March 15, 2022.
8 The Joint Standing Committee on Education and Cultural Affairs may submit legislation
9 related to either report to the Second Regular Session of the 130th Legislature.
