39 This bill repeals a provision of the Maine Juvenile Code that establishes as a purpose  
 40 of pre-adjudication detention providing physical care for a juvenile who cannot return

1 home because there is no parent or other suitable person willing and able to supervise the  
2 juvenile adequately.

3 The bill, based on recommendations of the Department of Corrections, calls for the  
4 setting of benchmarks for measuring progress in reducing the average daily populations of  
5 detained youths and committed youths through July 1, 2024.

6 The bill directs the Juvenile Justice Advisory Group to reestablish the juvenile justice  
7 task force to help implement the recommendation made in the February 2020 report issued  
8 by the Maine Juvenile Justice System Assessment and Reinvestment Task Force. The task  
9 force is directed to work with stakeholder groups and the Department of Corrections and  
10 the Department of Health and Human Services regarding the development of a community-  
11 based system of therapeutic services for justice-involved youths that works to divert youths  
12 from detention and commitment, reduce the rates of detention and commitment across the  
13 State and achieve the benchmarks for progress established in this bill.

14 The bill requires annual reports on juvenile justice from the Department of Corrections  
15 to the joint standing committee of the Legislature having jurisdiction over criminal justice  
16 and public safety matters through January 31, 2025.

17 The bill requires that, by January 1, 2022, the Department of Corrections report to the  
18 joint standing committee of the Legislature having jurisdiction over criminal justice and  
19 public safety matters on possible locations for 2 to 4 small, secure, therapeutic residences

22 County, one must be in Penobscot County and 2 other possible locations may be identified.

24 residences. The report must include information regarding staffing options and options and  
25 cost estimates at each possible site and location for the provision of therapeutic services  
26 and programs, including educational services, for youths living in the residences.

27 The bill appropriates \$1,500,000 to the Department of Corrections and \$500,000 to the  
28 Department of Health and Human Services to provide ongoing funding for community-  
29 based, therapeutic services or programs for the purpose of diverting justice-involved youths  
30 from detention and commitment and reducing the rate of youth detention and commitment.
