5 partnership interest was sold. For purposes of this subsection, the property and payroll  
6 factors of a partnership are determined in accordance with chapter 821. This subsection

12 partnership's business activity on tribal land, the taxpayer may petition for, or the State Tax  
13 Assessor may require, in respect to all or any part of the partnership's business activity the  
14 employment of any other method to effectuate an equitable apportionment to tribal land of  
15 the partner's income from the sale of the partnership interest.

16 **5. Deductions for losses.** Deductions with respect to capital losses, net long-term  
17 capital gains and net operating losses must be based solely on income, gains, losses and  
18 deductions derived from or connected with sources on tribal land, under regulations to be  
19 prescribed by the assessor, but otherwise must be determined in the same manner as the  
20 corresponding federal deductions.

21 **6. Apportionment.** If a business, trade, profession or occupation is carried on partly  
22 within and partly without tribal land, the items of income and deduction derived from or  
23 connected with sources within tribal land must be determined as apportioned to tribal land  
24 according to the following methods:

25 A. Except as provided in paragraph B, according to the methods for apportioning  
26 income to this State under chapter 821, except that instead of apportioning income to  
27 tribal land using the sales factor pursuant to section 5211, subsection 8, income is  
28 apportioned to tribal land by multiplying the income by a fraction, the numerator of  
29 which is the property factor plus the payroll factor and the denominator of which is 2;  
30 or

**PART I**

**Sec. I-1. Legislative findings and purpose.** The Legislature finds and declares, with respect to the regulatory structure established for sports wagering in Part J of this Act, that:

1. If conducted by federally recognized Indian tribes in the State, mobile sports wagering will serve as an effective economic development tool for tribal governments and tribal members and provide economic stimulus to rural areas of the State;

2. Authorizing the federally recognized Indian tribes in the State to conduct mobile sports wagering is fair and equitable because those Indian tribes previously have been excluded from conducting most forms of gaming in the State;

3. If conducted by licensed off-track betting facilities, commercial tracks and casinos, facility-based sports wagering will support the harness racing industry and agricultural interests that support the harness racing industry; and

4. Off-track betting facilities, commercial tracks and casinos are well suited to conduct facility-based sports wagering because of their infrastructure and experience with the conduct of wagering in the State.

36 following are grounds for the director to deny a license or license renewal or for the

ROS

- 1           C. If the applicant or licensee has had a license revoked by any government authority  
2           responsible for regulation of gaming activities;
- 3           D. If the applicant, the licensee or a person having control of the applicant or licensee  
4           under section 1204, subsection 2 is not of good moral character. In determining  
5           whether the applicant, licensee or person is of good moral character, the director shall  
6           consider qualities that include but are not limited to honesty, candor, trustworthiness,  
7           diligence, reliability, observance of fiduciary and financial responsibility and respect  
8           for the rights of others;
- 9           E. If the applicant, the licensee or a person having control of the applicant or licensee  
10           under section 1204, subsection 2:
- 11                 (1) Has, in any jurisdiction, been convicted of or pled guilty or nolo contendere to  
12                 a crime punishable by one year or more of imprisonment;
- 13                 (2) Has, in any jurisdiction, been adjudicated of committing a civil violation or  
14                 been convicted of a criminal violation involving dishonesty, deception,  
15                 misappropriation or fraud;

17                 constitute a violation of this chapter; chapter 11 involving gambling; chapter 31;  
18                 chapter 33; Title 17, chapter 13-A or 62; Title 17-A, chapter 39; or substantially  
19                 similar offenses in other jurisdictions;
- 20                 (4) Is a fugitive from justice, a drug user, a person with substance use disorder, an  
21                 illegal alien or a person who was dishonorably discharged from the Armed Forces  
22                 of the United States; or
- 23                 (5) Is not current in filing all applicable tax returns and in the payment of all taxes,  
24                 penalties and interest owed to this State, any other state or the United States  
25                 Internal Revenue Service, excluding items under formal appeal;
- 26           F. If the applicant or licensee has not demonstrated to the satisfaction of the director  
27           sufficient financial assets to meet the requirements of the licensed business or proposed  
28           business and to meet any financial obligations imposed by this chapter;
- 29           G. If the applicant, the licensee or a person having control of the applicant or licensee  
30           under section 1204, subsection 2 has not demonstrated financial responsibility. For the  
31           purposes of this paragraph, "financial responsibility" means a demonstration of a  
32           current and expected future condition of financial solvency sufficient to satisfy the  
33           director that the applicant, the licensee or the person can successfully engage in  
34           business without jeopardy to the public health, safety and welfare. Financial  
35           responsibility may be determined by an evaluation of the total history concerning the  
36           applicant, the licensee or the person, including past, present and expected condition  
37           and record of financial solvency, business record and accounting and managerial  
38           practices;
- 39           H. If the applicant or licensee has not met the requirements of this chapter; or
- 40           I. If the applicant or licensee has violated any provision of this chapter or of the rules  
41           adopted under this chapter.
- 42           2. Denial of initial license or renewed license; notice; hearing. The director may  
43           deny an application for a license or for renewal of a license for the reasons set forth in

ROS

1 subsection 1. The director shall notify the applicant or the licensee in writing of the  
2 decision and of the opportunity to request a hearing conducted by the commissioner.

3 If the applicant or licensee fails to request a hearing within 30 days of the date that the  
4 notice was mailed under this subsection, the director may issue a final decision denying the  
5 application for a license or for renewal of a license. If the applicant or licensee makes a  
6 timely request for a hearing, the commissioner shall conduct an adjudicatory hearing in  
7 accordance with Title 5, chapter 375, subchapter 4. The director's decision to deny the  
8 license or license renewal stands until the commissioner issues a decision to uphold, modify  
9 or overrule the director's decision.

10 After hearing, if the commissioner finds grounds for denying a license or license renewal  
11 under subsection 1, the commissioner may deny the application for a license or for renewal  
12 of a license.

13 **3. Investigation of complaints; notice; hearing.** The director or the director's  
14 designee shall investigate a complaint on the director's own motion or upon receipt of a  
15 written complaint regarding noncompliance with or violation of this chapter or of any rules  
16 adopted under this chapter. Following the investigation, the director may mail the licensee  
17 a notice of violation informing the licensee of the administrative sanction under subsection  
18 4 the director proposes to impose and of the licensee's opportunity to request a hearing.

19 If the licensee fails to request a hearing within 30 days of the date that a notice was mailed  
20 under this subsection, the director may issue a final decision imposing the sanction  
21 proposed in the notice. If the licensee makes a timely request for a hearing, the  
22 commissioner shall conduct an adjudicatory hearing in accordance with Title 5, chapter  
23 375, subchapter 4. If, after the hearing, the commissioner finds that the factual basis of the  
24 complaint is true and is of sufficient gravity to warrant further action, the commissioner  
25 may impose an administrative sanction under subsection 4.

26 **4. Administrative sanctions.** The director or the commissioner may, pursuant to  
27 subsection 3, impose the following administrative sanctions on a licensee:

- 28 A. A written reprimand;
- 29 B. Conditions of probation of a license;
- 30 C. A license suspension;
- 31 D. A license revocation; or
- 32 E. A civil penalty of up to \$25,000 per violation of any provision of this chapter or  
33 rule adopted pursuant to this chapter.

34 **5. Appeals.** A person aggrieved by the final decision of the commissioner under  
35 subsection 2 or 3 may appeal the commissioner's decision to the Superior Court in  
36 accordance with Title 5, chapter 375, subchapter 7.

37 **§1206. Facility sports wagering license**

38 **1. Issuance of license.** The director shall issue a facility sports wagering license upon  
39 finding that the applicant meets all requirements of this section, sections 1204 and 1205

**2. Eligibility; transfer prohibited.** To be eligible to receive a facility sports wagering license, an applicant must be:

- A. A commercial track as defined in section 275-A, subsection 1;
- B. A casino in Oxford County licensed under section 1011, subsection 2-A, paragraph A; or
- C. An off-track betting facility licensed under section 275-D or Public Law 2019, chapter 626, section 16.

Each off-track betting facility may receive only one facility sports wagering license under this section. A facility sports wagering license may not be transferred or assigned.

**3. Authority to conduct sports wagering; management services permitted.** A facility sports wagering license granted by the director pursuant to this section grants a licensee lawful authority to conduct sports wagering in which wagers are placed within a physical location controlled by the licensee in the State within the terms and conditions of the license and any rules adopted under this chapter. A facility sports wagering licensee may contract with a management services licensee under section 1209.

**4. Fees.** The fee for an initial or renewed facility sports wagering license is \$4,000 and must be retained by the director for the costs of administering this chapter. In addition to the license fee, the director may charge a processing fee for an initial or renewed license in an amount equal to the projected cost of processing the application and performing any background investigations. If the actual cost exceeds the projected cost, an additional fee may be charged to meet the actual cost. If the projected cost exceeds the actual cost, the difference may be refunded to the applicant or licensee.

**5. Term of license.** Except as provided in subsection 6, a license granted or renewed under this section is valid for 4 years unless sooner revoked by the director or the commissioner under section 1205. The failure of a facility sports wagering licensee to maintain its underlying off-track betting license voids the facility sports wagering license.

**6. Temporary license.** An applicant for a facility sports wagering license may submit with the application a request for a temporary license. A request for a temporary license must include the initial license fee of \$4,000. If the director determines that the applicant is qualified under subsection 2, meets the requirements established by rule for a temporary license and has paid the initial license fee and the director is not aware of any reason the applicant is ineligible for a license under this section, the director may issue a temporary facility sports wagering license. A temporary license issued under this subsection is valid for one year or until a final determination on the facility sports wagering license application is made, whichever is sooner. If after investigation the director determines that the applicant is eligible for a facility sports wagering license under this chapter, the director shall issue the initial facility sports wagering license, at which time the temporary license terminates. The initial facility sports wagering license is valid for 4 years from the date that the temporary license was issued by the director. Sports wagering conducted under authority of a temporary license must comply with the facility operator's house rules adopted under section 1211.

**7. Occupational license required.** A facility sports wagering licensee, including a temporary licensee under subsection 6, may conduct sports wagering only through persons holding a valid occupational license under section 1210.

8. Municipal control. Nothing in this chapter may be construed to restrict the authority of municipalities under municipal home rule provisions of the Constitution of Maine, including zoning and public safety authority.

**§1207. Mobile sports wagering license**

1. Issuance of license. The director shall issue a mobile sports wagering license upon finding that the applicant meets all requirements of this section, sections 1204 and 1205 and rules adopted under this chapter.

2. Eligibility; transfer to wholly owned entity. To be eligible to receive a mobile sports wagering license, an applicant must be a federally recognized Indian tribe in this State. Each federally recognized Indian tribe may receive only one mobile sports wagering license under this section. A mobile sports wagering license may not be transferred or assigned, except that a federally recognized Indian tribe may transfer its mobile sports wagering license to a business entity with a principal place of business in the State that is wholly owned by that federally recognized Indian tribe.

3. Authority to conduct sports wagering; management services permitted. A mobile sports wagering license granted by the director pursuant to this section grants a licensee lawful authority to conduct sports wagering in which wagers are placed by persons who are physically located in the State through any mobile applications or digital platforms approved by the director within the terms and conditions of the license and any rules adopted under this chapter. A mobile sports wagering licensee may contract with no more than one management services licensee under section 1209.

4. Fees. The fee for an initial or renewed mobile sports wagering license is \$200,000 and must be retained by the director for the costs of administering this chapter. In addition to the license fee, the director may charge a processing fee for an initial or renewed license in an amount equal to the projected cost of processing the application and performing any background investigations. If the actual cost exceeds the projected cost, an additional fee may be charged to meet the actual cost. If the projected cost exceeds the actual cost, the difference may be refunded to the applicant or licensee.

5. Term of license. Except as provided in subsection 6, a license granted or renewed under this section is valid for 4 years unless sooner revoked by the director or the commissioner under section 1205.

6. Temporary license. An applicant for a mobile sports wagering license may submit with the application a request for a temporary license. A request for a temporary license must include the initial license fee of \$200,000. If the director determines that the applicant is qualified under subsection 2, meets the requirements established by rule for a temporary license and has paid the initial license fee and the director is not aware of any reason the applicant is ineligible for a license under this section, the director may issue a temporary mobile sports wagering license. A temporary license issued under this subsection is valid for one year or until a final determination on the mobile sports wagering license application is made, whichever is sooner. If after investigation the director determines that the applicant is eligible for a mobile sports wagering license under this chapter, the director shall issue the initial mobile sports wagering license, at which time the temporary license terminates. The initial mobile sports wagering license is valid for 4 years from the date that the temporary license was issued by the director. Sports wagering conducted under

ROS

1 authority of a temporary license must comply with the mobile operator's house rules  
2 adopted under section 1211.

3 7. Occupational license required. A mobile sports wagering licensee, including a  
4 temporary licensee under subsection 6, may conduct sports wagering only through persons  
5 holding a valid occupational license under section 1210.

6 **§1208. Supplier license**

7 1. Issuance of license; eligibility. The director shall issue a supplier license upon  
8 finding that the applicant meets all requirements of this section, sections 1204 and 1205  
9 and rules adopted under this chapter.

10 2. Equipment. An applicant for a supplier license shall demonstrate that the  
11 equipment, systems or services that the applicant plans to offer to an operator conform to  
12 standards established by rule by the director. The director may accept approval by another  
13 jurisdiction that is specifically determined by the director to have similar equipment  
14 standards as evidence the applicant meets the standards established by the director by rule.

15 3. Authority to supply operators. A supplier license granted by the director pursuant  
16 to this section grants a licensee lawful authority to sell or to lease sports wagering  
17 equipment, systems or services to operators in the State within the terms and conditions of  
18 the license and any rules adopted under this chapter.

19 4. Fees. The fee for an initial or renewed supplier license is \$40,000 and must be  
20 retained by the director for the costs of administering this chapter. In addition to the license  
21 fee, the director may charge a processing fee for an initial or renewed license in an amount  
22 equal to the projected cost of processing the application and performing any background  
23 investigations. If the actual cost exceeds the projected cost, an additional fee may be  
24 charged to meet the actual cost. If the projected cost exceeds the actual cost, the difference  
25 may be refunded to the applicant or licensee.

26 5. Term of license. Except as provided in subsection 6, a license granted or renewed  
27 under this section is valid for 4 years unless sooner revoked by the director or the  
28 commissioner under section 1205.

29 6. Temporary license. An applicant for a supplier license may submit with the  
30 application a request for a temporary license. A request for a temporary license must  
31 include the initial license fee of \$40,000. If the director determines that the applicant is  
32 qualified under subsection 2, meets the requirements established by rule for a temporary  
33 license and has paid the initial license fee and the director is not aware of any reason the  
34 applicant is ineligible for a license under this section, the director may issue a temporary  
35 supplier license. A temporary license issued under this subsection is valid for one year or  
36 until a final determination on the supplier license application is made, whichever is sooner.  
37 If after investigation the director determines that the applicant is eligible for a supplier  
38 license under this chapter, the director shall issue the initial supplier license, at which time  
39 the temporary license terminates. The initial supplier license is valid for 4 years from the  
40 date that the temporary license was issued by the director.

41 7. Inventory. A supplier licensee shall submit to the director a list of all sports  
42 wagering equipment, systems and services sold or leased to, delivered to or offered to an  
43 operator in this State as required by the director, all of which must be tested and approved  
44 by an independent testing laboratory approved by the director. An operator may continue

ROS

1 to use supplies acquired from a licensed supplier if the supplier's license subsequently  
2 expires or is otherwise revoked, unless the director finds a defect in the supplies.

3 **§1209. Management services license**

4 **1. Issuance of license; eligibility.** The director shall issue a management services  
5 license upon finding that the applicant meets all requirements of this section, sections 1204  
6 and 1205 and rules adopted under this chapter and that the applicant has sufficient  
7 knowledge and experience in the business of operating sports wagering to effectively  
8 conduct sports wagering in accordance with this chapter and the rules adopted under this  
9 chapter.

10 **2. Authority to enter contract with operator.** A management services licensee may  
11 contract with an operator to manage sports wagering operations on behalf of the operator  
12 in accordance with rules adopted under this chapter.

13 **3. Contract approval; material change in written contract.** A person may not  
14 contract with an operator to conduct sports wagering on behalf of the operator unless the  
15 person is licensed under this section and the director approves the written contract. A  
16 management services licensee shall submit to the director any proposed material change to  
17 the written contract that has been approved by the director under this subsection. A  
18 management services licensee may not transfer, assign, delegate or subcontract any portion  
19 of the management services licensee's responsibilities under the contract or any portion of  
20 the management services licensee's right to compensation under the contract to any other  
21 person who does not hold a management services license.

22 **4. Fees.** The fee for an initial or renewed management services license is \$40,000 and  
23 must be retained by the director for the costs of administering this chapter. In addition to  
24 the license fee, the director may charge a processing fee for an initial or renewed license in  
25 an amount equal to the projected cost of processing the application and performing any  
26 background investigations. If the actual cost exceeds the projected cost, an additional fee  
27 may be charged to meet the actual cost. If the projected cost exceeds the actual cost, the  
28 difference may be refunded to the applicant or licensee.

29 **5. Term of license.** Except as provided in subsection 6, a license granted or renewed  
30 under this section is valid for 4 years unless sooner revoked by the director or the  
31 commissioner under section 1205.

32 **6. Temporary license.** An applicant for a management services license may submit  
33 with the application a request for a temporary license. A request for a temporary license  
34 must include the initial license fee of \$40,000. If the director determines that the applicant  
35 is qualified under subsection 1, meets the requirements established by rule for a temporary  
36 license and has paid the initial license fee and the director is not aware of any reason the  
37 applicant is ineligible for a license under this section, the director may issue a temporary  
38 management services license. A temporary license issued under this subsection is valid for  
39 one year or until a final determination on the management services license application is  
40 made, whichever is sooner. If after investigation the director determines that the applicant  
41 is eligible for a management services license under this chapter, the director shall issue the  
42 initial management services license, at which time the temporary license terminates. The  
43 initial management services license is valid for 4 years from the date that the temporary

**§1210. Occupational license**

**1. License required.** A person may not be employed by an operator to be engaged directly in sports wagering-related activities or otherwise to conduct or operate sports wagering without a valid occupational license issued by the director under this section. The director shall issue an occupational license to a person who meets the requirements of this section, section 1204 and section 1205. The director shall by rule establish a process for issuance of occupational licenses that is, as far as possible, identical to the process for licensing employees of a casino under section 1015.

**2. Authority to be employed in sports wagering.** An occupational license authorizes the licensee to be employed by an operator in the capacity designated by the director while the license is active. The director may establish, by rule, job classifications with different requirements to recognize the extent to which a particular job has the ability to affect the proper operation of sports wagering.

**3. Application and fee.** Except as provided in subsection 5, an applicant shall submit any required application forms established by the director and pay a nonrefundable application fee of \$250. The fee may be paid on behalf of an applicant by the operator. Fees paid under this subsection must be retained by the director for the costs of administering this chapter.

**4. Renewal fee and form.** An occupational licensee must pay a fee of \$25 to renew the license for a one-year term or a fee of \$50 to renew the license for a 3-year term. The fee may be paid on behalf of the occupational licensee by the operator. In addition to a renewal fee, an occupational licensee must annually submit a renewal application on a form or in a format approved by the director. Fees paid under this subsection must be retained by the director for the costs of administering this chapter.

**5. Exception.** An individual who is actively licensed under section 1015 as an employee of a casino that has a facility sports wagering license may obtain or renew a license under this section without paying an initial license fee or a renewal license fee under this section.

**§1211. Sports wagering house rules**

**1. Adoption of house rules.** An operator shall adopt comprehensive house rules for game play governing sports wagering transactions with its patrons. House rules must be approved by the director prior to implementation and meet the minimum standards established by the director by rule, including, but not limited to, requiring that the house rules specify the amounts to be paid on winning wagers and the effect of sports event schedule changes, the circumstances under which the operator will void a wager and treatment of errors, late wagers and related contingencies.

**2. Advertisement of house rules.** The house rules, together with any other information the director determines to be appropriate, must be advertised as required by the director by rule and must be made readily available to patrons.

**§1212. Access to premises and equipment**

A licensee under this chapter shall permit the director, the department or a designee of the director unrestricted access, during regular business hours, including access to locked or secured areas, to inspect any facility and any equipment, prizes, records or other items to be used in the operation of sports wagering.

**§1213. Persons prohibited from making wagers on sports events**

An operator and a management services licensee conducting sports wagering on behalf of an operator may not accept a wager on a sports event from the following persons:

- 1. Persons under 21 years of age. A person who has not attained 21 years of age;
- 2. Sports event participants. An athlete or individual who participates or officiates in the sports event that is the subject of the wager;
- 3. Operators and employees. An operator or management services licensee; directors, officers and employees of an operator or management services licensee; or a relative living in the same household as any of these persons. This subsection does not prohibit a relative living in the same household as a director, officer or employee of an operator or management services licensee from making a sports wager with an unaffiliated operator or management services licensee;
- 4. Interested parties. A person with an interest in the outcome of the sports event identified by the director by rule. The interested parties identified by the director by rule under this subsection may include, but are not limited to, legal or beneficial owners of or employees of a sports team participating in the event or another sports team in the same league as a sports team participating in the event as well as directors, owners or employees of the sports league conducting the event;
- 5. Unauthorized persons. A person on a list established by rule by the director under section 1203, subsection 2, paragraph K of persons who are not authorized to make wagers on sports events;
- 6. Third parties. A person making a wager on behalf of or as the agent or custodian of another person; and
- 7. Regulatory staff. An employee of the Gambling Control Unit within the department.

**§1214. Certain sports wagers prohibited**

- 1. Prohibited wagers. An operator may not, with respect to a sports event of a sport governing body headquartered in the United States, offer or accept wagers on the occurrence of injuries or penalties, the outcome of player disciplinary rulings or replay reviews.
- 2. Request from sports governing body. A sports governing body may submit to the director in writing a request to restrict, limit or exclude a certain type, form or category of sports wagering with respect to sports events of that sports governing body if the sports governing body believes that that type, form or category of sports wagering with respect to sports events of that sports governing body may undermine the integrity or perceived integrity of that sports governing body or sports events of that sports governing body. The director shall request comment from operators on all requests under this subsection. After giving due consideration to all comments received, the director shall, upon a demonstration of good cause from the sports governing body that the type, form or category of sports wagering is likely to undermine the integrity or perceived integrity of that sports governing body or sports events of that sports governing body, grant the request. The director shall respond to a request concerning a particular event before the start of the event or, if it is not feasible to respond before the start of the event, no later than 7 days after the request is

ROS

1 made. If the director determines that the sports governing body is more likely than not to  
2 prevail in successfully demonstrating good cause for its request, the director may  
3 provisionally grant the request of the sports governing body until the director makes a final  
4 determination as to whether the sports governing body has demonstrated good cause.  
5 Absent such a provisional grant by the director, an operator may continue to offer sports  
6 wagering on sports events that are the subject of that request during the pendency of the  
7 director's consideration of the request.

8 **§1215. Abnormal wagering activity**

9 1. **Duty to report.** An operator shall, as soon as practicable, report to the director any  
10 information relating to abnormal wagering activity or patterns that may indicate a concern  
11 with the integrity of a sports event or any other conduct that corrupts a wagering outcome  
12 of a sports event for purposes of financial gain, including match fixing. An operator shall  
13 concurrently report that information to the relevant sports governing body.

14 2. **Cooperation efforts.** An operator shall use commercially reasonable efforts to  
15 cooperate with investigations conducted by sports governing bodies or law enforcement  
16 agencies, including but not limited to using commercially reasonable efforts to provide or  
17 facilitate the provision of wagering information.

18 3. **Information confidentiality.** The director and operators shall maintain the  
19 confidentiality of information provided by a sports governing body for purposes of  
20 investigating or preventing the conduct described in this section, unless disclosure is  
21 otherwise required by the director or by law or unless the sports governing body consents  
22 to disclosure.

23 4. **Information use and disclosure.** With respect to any information provided by an  
24 operator to a sports governing body relating to conduct described in this section, a sports  
25 governing body:

26 A. May use such information only for integrity-monitoring purposes and may not use  
27 the information for any commercial or other purpose; and

28 B. Shall maintain the confidentiality of the information, unless disclosure is otherwise  
29 required by the director or by law or unless the operator consents to disclosure, except  
30 that the sports governing body may make disclosures necessary to conduct and resolve  
31 integrity-related investigations and may publicly disclose such information if required  
32 by the sports governing body's integrity policies or if determined by the sports  
33 governing body in its reasonable judgment to be necessary to maintain the actual or  
34 perceived integrity of its sports events. Prior to any public disclosure that would  
35 identify the operator by name, the sports governing body shall provide that operator  
36 with notice of the disclosure and an opportunity to object to the disclosure.

37 **§1216. Security, maintenance and sharing of wagering records**

38 1. **Records maintenance.** An operator shall maintain for 3 years after a sports event  
39 occurs at least the following records of all wagers placed with respect to that sports event:

40 A. Personally identifiable information of each person placing a wager;

41 B. The amount and type of each wager;

42 C. The time each wager was placed;

ROS.

- 1           D. The location of each wager, including the Internet protocol address if applicable;
- 2           E. The outcome of each wager; and
- 3           F. Instances of abnormal wagering activity.

4           In addition, an operator shall maintain video recordings in the case of in-person wagers for  
 5           at least one year after the sports event occurs. An operator shall make the records required  
 6           to be maintained under this subsection available for inspection upon request of the director  
 7           or as required by court order.

8           **2. Anonymized information.** An operator shall use commercially reasonable efforts  
 9           to maintain, in real time and at the account level, anonymized information regarding a  
 10           person who places a wager and the amount and type of the wager, the time the wager was  
 11           placed, the location of the wager, including the Internet protocol address if applicable, the  
 12           outcome of the wager and records of abnormal wagering activity. The director may request  
 13           that information in the form and manner required by rule. Nothing in this subsection  
 14           requires an operator to provide any information that is prohibited by federal or state law,  
 15           including without limitation laws and rules relating to privacy and personally identifiable  
 16           information.

17           **3. Records monitoring.** If a sports governing body has notified the director that  
 18           access to the information described in subsection 2 for wagers placed on sports events of  
 19           that sports governing body is necessary to monitor the integrity of that sports governing  
 20           body's sports events, and the sports governing body represents to the director that it  
 21           specifically uses that data for the purpose of monitoring the integrity of sports events of  
 22           that sports governing body, then an operator shall share, in a commercially reasonable  
 23           frequency, form and manner, with the sports governing body or its designee the same  
 24           information the operator is required to maintain under subsection 2 with respect to sports  
 25           wagers on sports events of that sports governing body. A sports governing body and its  
 26           designee may use information received under this subsection only for integrity-monitoring  
 27           purposes and may not use information received under this subsection for any commercial  
 28           or other purpose. Nothing in this subsection requires an operator to provide any  
 29           information if prohibited by federal or state law, including without limitation laws and rules  
 30           relating to privacy and personally identifiable information.

31           **4. Security.** An operator shall use commercially reasonable methods to maintain the  
 32           security of wagering data, customer data and other confidential information from  
 33           unauthorized access and dissemination. Nothing in this chapter precludes the use of  
 34           Internet-based or so-called cloud-based hosting of that data and information or disclosure  
 35           as required by law.

36           **§1217. Interception of sports wagering winnings to pay child support debt**

 38           following terms have the following meanings.

 43           licensee under section 1209.

ROS

1 D. "Registry operator" means the department or an entity with which the department  
2 enters into a contract to maintain the registry pursuant to subsection 3.

3 E. "Winner" means a sports wagering patron to whom cash is returned as winnings for  
4 placement of a sports wager.

5 **2. Interception.** A licensee shall intercept sports wagering winnings to pay child  
6 support debt in accordance with this section.

7 **3. Registry.** The department shall create and maintain, or shall contract with a private  
8 entity to create and maintain, a secure, electronically accessible registry containing  
9 information regarding individuals with outstanding child support debt. The department  
10 shall regularly enter into the registry information including:

11 A. The name and social security number of each individual with outstanding child  
12 support debt;

13 B. The account number or identifier assigned by the department to the outstanding  
14 child support debt;

15 C. The amount of the outstanding child support debt; and

16 D. Any other information necessary to effectuate the purposes of this section.

17 **4. Electronic access to information; procedures.** A licensee shall electronically  
18 access the registry in accordance with this subsection.

19 A. Before making a payout of winnings of an amount equal to or greater than the  
20 amount for which the licensee is required to file a Form W-2G or substantially  
21 equivalent form with the United States Internal Revenue Service, the licensee shall  
22 obtain the name, address, date of birth and social security number of the winner and  
23 shall electronically submit this information to the registry operator.

24 B. Upon receipt of information pursuant to paragraph A, the registry operator shall  
25 electronically inform the licensee whether the winner is listed in the registry. If the  
26 winner is listed in the registry, the registry operator shall inform the licensee of the  
27 amount of the winner's outstanding child support debt and the account number or  
28 identifier assigned to the outstanding child support debt and shall provide the licensee  
29 with a notice of withholding that informs the winner of the right to an administrative  
30 hearing.

31 C. If the registry operator informs the licensee that the winner is not listed in the  
32 registry or if the licensee is unable to obtain information from the registry operator on  
33 a real-time basis after attempting in good faith to do so, the licensee may make payment  
34 to the winner.

35 D. If the registry operator informs the licensee that the winner is listed in the registry,  
36 the licensee may not make payment to the winner unless the amount of the payout  
37 exceeds the amount of outstanding child support debt, in which case the licensee may  
38 make payment to the winner of the amount of winnings that is in excess of the amount  
39 of the winner's outstanding child support debt.

40 **5. Lien against winnings.** If the registry operator informs a licensee pursuant to this  
41 section that a winner is listed in the registry, the department has a valid lien upon and claim  
42 of lien against the winnings in the amount of the winner's outstanding child support debt.

6. Withholding of winnings. The licensee shall withhold from any winnings an amount equal to the amount of the lien created under subsection 5 and shall provide a notice of withholding to the winner. Within 7 days after withholding an amount pursuant to this subsection, the licensee shall transmit the amount withheld to the department together with a report of the name, address and social security number of the winner, the account number or identifier assigned to the debt, the amount withheld, the date of withholding and the name and location of the licensee.

7. Licensee costs. Notwithstanding subsection 6, the licensee may retain \$10 from an amount withheld pursuant to this section to cover the cost of the licensee's compliance with this section.

8. Administrative hearing. A winner from whom an amount was withheld pursuant to this section has the right, within 15 days of receipt of the notice of withholding, to request from the department an administrative hearing. The hearing is limited to questions of whether the debt is liquidated and whether any post-liquidation events have affected the winner's liability. The administrative hearing decision constitutes final agency action.

9. Authorization to provide information. 10. Confidentiality of information. An employee or prior employee of the department, the registry operator or a licensee who knowingly or intentionally discloses any such information commits a civil violation for which a fine not to exceed \$1,000 may be adjudged.

11. Effect of compliance; noncompliance. A licensee, the department and the registry operator are not liable for any action taken in good faith to comply with this section. A licensee who fails to make a good faith effort to obtain information from the registry operator or who fails to withhold and transmit the amount of the lien created under subsection 5 is liable to the department for the greater of \$500 and the amount the person was required to withhold and transmit to the department under this section, together with costs, interest and reasonable attorney's fees.

12. Biennial review. The department shall include in its report to the Legislature under section 1066 the following information:

- A. The number of names of winners submitted by licensees to the registry operator pursuant to this section in each of the preceding 2 calendar years;

Amend the bill by relettering or renumbering any nonconsecutive Part letter or section number to read consecutively.

**SUMMARY**

This amendment, which is a minority report of the committee, replaces the bill.

Part A of the amendment enacts the Tribal-State Collaboration Act, which requires the Department of Agriculture, Conservation and Forestry, the Department of Corrections, the Department of Economic and Community Development, the Department of Education, the Department of Environmental Protection, the Department of Health and Human Services, the Department of Inland Fisheries and Wildlife, the Department of Labor, the Department of Public Safety, the Department of Administrative and Financial Services, the Department of Professional and Financial Regulation, the Department of Defense, Veterans and Emergency Management, the Department of Marine Resources, the Department of Transportation, the Office of the Public Advocate and the Public Utilities Commission each to designate a tribal liaison and to develop and implement a policy that promotes positive government-to-government relations between the State and federally recognized Indian tribes within the State, promotes cultural competency in the agency's interactions with Indian tribes and tribal members and establishes a process for collaboration between the agency and Indian tribes regarding the agency's programs, rules and services that substantially and uniquely affect the Indian tribes or tribal members. The Act also directs the Governor to meet at least annually with the leaders of the Indian tribes in a Tribal-State Summit to address issues of mutual concern, including implementation of the Tribal-State

ROS

1 Collaboration Act, improving communication between the State and the Indian tribes and  
2 implementation of the requirement to include Maine Native American studies in the  
3 Department of Education's system of learning results.

4 Part A of the amendment also includes the Houlton Band of Maliseet Indians within  
5 the list of parties that may join an interlocal cooperation agreement under the Maine  
6 Revised Statutes, Title 30-A, chapter 115.

7 Part B of the amendment establishes that the legislative purposes of Parts C to H of this  
8 amendment, which amend the State's tax laws, are to improve the economic opportunities  
9 available to and welfare of the Penobscot Nation, the Passamaquoddy Tribe and the  
10 Houlton Band of Maliseet Indians and their tribal members; to encourage economic  
11 development within the tribal lands of the Penobscot Nation, the Passamaquoddy Tribe and  
12 the Houlton Band of Maliseet Indians, the benefits of which will accrue not only to the  
13 tribes and their tribal members but also to surrounding communities and the State; and to  
14 clarify and simplify the application of the State's tax laws to the Penobscot Nation, the  
15 Passamaquoddy Tribe and the Houlton Band of Maliseet Indians as well as to their tribal  
16 lands and tribal members, in order to reduce the costs of tax compliance to the tribes and  
17 their members and to reduce the cost to the State of administering its tax laws.

18 Part C of the amendment defines several terms, including "Houlton Band Trust Land,"  
19 "Passamaquoddy Indian territory," "Penobscot Indian territory," "tribal entity," "tribal  
20 land" and "tribal member," for purposes of implementing the amendments to the State's tax  
21 laws set forth in Parts D to H of the amendment. It also provides that the Passamaquoddy  
22 Tribe, the Penobscot Nation and the Houlton Band of Maliseet Indians are deemed to act  
23 in a governmental capacity and not in a business capacity for purposes of applying the  
24 State's sales tax and income tax laws and are therefore exempt from these taxes.

25 Part D of the amendment:

26 1. Creates an exemption to the State's sales tax for sales to the Houlton Band of Maliseet  
27 Indians, the Passamaquoddy Tribe or the Penobscot Nation for sales occurring on or after  
28 January 1, 2023; and

29 2. Creates an exemption to the State's sales tax for sales to tribal members or tribal  
30 entities that are sourced to tribal lands for sales occurring on or after January 1, 2023, but  
31 provides that the use tax applies to such sales if the exempt property or service is used  
32 primarily outside of tribal land during the first year after purchase.

33 Under current law, the amount of sales tax revenue collected by the State attributable  
34 to sales occurring on the Passamaquoddy reservations at Pleasant Point and Indian  
35 Township is returned by the Treasurer of State to the Passamaquoddy Tribe on a monthly  
36 basis. Part E expands this provision to provide for the return to the Passamaquoddy Tribe  
37 of sales tax revenue collected by the State attributable to sales occurring on all of the  
38 Passamaquoddy Indian territory and provides for a similar return to the Houlton Band of  
39 Maliseet Indians and to the Penobscot Nation of sales tax revenue collected by the State  
40 attributable to sales occurring on Houlton Band Trust Land or Penobscot Indian territory,  
41 respectively.

42 Part F of the amendment exempts tribal land from the commercial forestry excise tax;  
43 exempts wild blueberries grown on tribal land from the wild blueberry tax; and exempts  
44 potatoes grown on tribal land from the potato tax, all effective January 1, 2023.

1 Part G of the amendment provides that the Passamaquoddy Tribe, the Penobscot  
2 Nation, the Houlton Band of Maliseet Indians and a tribal corporation organized by the  
3 Passamaquoddy Tribe, the Penobscot Nation or the Houlton Band of Maliseet Indians  
4 under Section 17 of the federal Indian Reorganization Act are not subject to the Maine  
5 corporate income tax. It also creates income tax modifications for tribal members residing  
6 on tribal land and for the estates of a decedent who was a tribal member residing on tribal  
7 land for the amount of income or loss derived from or connected with sources on tribal  
8 land. The provisions of Part G apply to tax years beginning on or after January 1, 2023.

9 Part H of the amendment authorizes the Department of Administrative and Financial  
10 Services, Bureau of Revenue Services to adopt routine technical rules to implement the  
11 provisions of Parts C to G of the amendment.

12 Part I of the amendment sets forth the legislative findings and purposes underlying Part  
13 J of the amendment, which legalizes and establishes a regulatory framework for sports  
14 wagering in the State. With respect to mobile sports wagering, the Legislature finds that,  
15 if conducted by federally recognized Indian tribes in the State, mobile sports wagering will  
16 serve as an effective economic development tool for tribal governments and tribal members  
17 and will provide economic stimulus to rural areas of the State; that authorizing the federally  
18 recognized Indian tribes in the State to conduct mobile sports wagering is fair and equitable  
19 because those Indian tribes previously have been excluded from conducting most forms of  
20 gaming in the State; that the conduct of facility-based sports wagering by licensed  
21 commercial tracks, the Oxford Casino and off-track betting facilities will support the  
22 harness racing industry and agricultural interests that support the harness racing industry;  
23 and that off-track betting facilities are well suited to conduct facility-based sports wagering  
24 because of their infrastructure and experience with similar forms of wagering in the State.

25 Part J of the amendment allows a licensed fantasy contest operator to offer a fantasy  
26 contest based on the performances of participants in collegiate athletic events and  
27 authorizes the Department of Public Safety, Gambling Control Unit to regulate sports  
28 wagering in the State.

29 Up to 10 total facility sports wagering licenses to conduct in-person sports wagering in  
30 the State may be awarded to licensed off-track betting facilities, commercial tracks,  
31 including the Bangor Raceway, and the Oxford Casino, each of which may apply for a  
32 single facility license. Each of the State's 4 federally recognized Indian tribes is eligible to  
33 apply for a single mobile sports wagering license to conduct sports wagering through which  
34 individuals physically located within the State make wagers using mobile applications or  
35 digital platforms. Facility sports wagering licenses and mobile sports wagering licenses are  
36 nontransferable, except that a federally recognized Indian tribe may transfer its mobile  
37 sports wagering license to a business entity that is wholly owned by that federally  
38 recognized Indian tribe. The 4-year initial and renewal fee for a facility sports wagering  
39 license is \$4,000 and the 4-year initial and renewal fee for a mobile sports wagering license  
40 is \$200,000.

41 Facility sports wagering licensees and mobile sports wagering licensees, referred to in  
42 the amendment as operators, may purchase or lease equipment, systems or services for  
43 sports wagering from entities with a supplier license, whose equipment, systems or services  
44 must meet standards established by rule. Operators may also enter into written contracts,  
45 approved by the director of the Gambling Control Unit within the Department of Public  
46 Safety, with management services licensees that have sufficient knowledge and experience

ROS

1 in the business of operating sports wagering to effectively conduct sports wagering on  
2 behalf of operators. Each mobile operator may enter into a contract with no more than one  
3 management services licensee. If a management services licensee enters into a contract  
4 with more than one operator, its method for separately accounting for each operator's gross  
5 receipts and adjusted gross sports wagering receipts from each operator must be approved  
6 by the director. The fee paid by an operator to a management services licensee may not  
7 exceed 30% of the operator's adjusted gross sports wagering receipts, except that the  
8 director may approve a contract authorizing the management services licensee to receive  
9 up to 40% of the operator's adjusted gross sports wagering receipts if the director  
10 determines that the management services licensee has demonstrated that the fee is  
11 commercially reasonable given the management services licensee's capital investments and  
12 the operator's projected revenues. A person employed by an operator to be engaged directly  
13 in sports wagering-related activities must be licensed by the Gambling Control Unit.

14 Operators may accept wagers on professional, collegiate and amateur sports events,  
15 including international events, as well as on the individual performances of athletes, on  
16 motor vehicle races and on electronic sports. Sports wagers are prohibited on high school  
17 events, other events where a majority of participants are under 18 years of age and events  
18 involving Maine-based colleges and universities, except that a wager may be placed on a  
19 game or match that is part of a tournament in which a Maine collegiate sports team  
20 participates, as long as a Maine collegiate sports team does not participate in that particular  
21 game or match. Operators also may not accept wagers on the occurrence of injuries or  
22 penalties, the outcome of player disciplinary rulings or replay reviews and additional  
23 categories of sports wagers that, upon the request of the relevant sports governing body,  
24 the director determines will undermine the integrity or perceived integrity of the sports  
25 governing body or its sports events.

26 Operators may not accept sports wagers from individuals under 21 years of age;  
27 participants in the sports event, including athletes and officials; persons with an interest in  
28 the outcome of the sports event identified by the director by rule; the operator's own  
29 directors or employees or persons living in their households; persons voluntarily or  
30 involuntarily placed on a list maintained by the Gambling Control Unit of persons not  
31 authorized to make sports wagers; persons making wagers on behalf of another person; and  
32 Gambling Control Unit employees. Mobile sports wagering licensees are also prohibited  
33 from accepting sports wagers from persons who are not physically located within the State.

34 The amendment also requires that the director adopt rules governing the marketing or  
35 advertising of sports wagering requiring that an operator disclose that it is a licensed  
36 commercial track, licensed casino, licensed off-track betting facility, federally recognized  
37 Indian tribe in the State or business entity wholly owned by a federally recognized Indian  
38 tribe in the State; prohibiting the use of misleading, deceptive or false sports wagering  
39 advertising; and restricting, to the extent permissible, the marketing or advertising of sports  
40 wagering that is designed to reach or to appeal to persons under 21 years of age. Operators  
41 are also required to report abnormal wagering activity to the director and to the relevant  
42 sports governing body.

43 Operators must remit 28.5% of their adjusted gross sports wagering receipts to the  
44 State. One percent of adjusted gross sports wagering receipts must be deposited in the  
45 General Fund for the administrative expenses of the Gambling Control Unit; 1% of the  
46 adjusted gross sports wagering receipts must be deposited in the Gambling Addiction

1 Prevention and Treatment Fund; 0.55% of the adjusted gross sports wagering receipts must  
2 be distributed by the State Harness Racing Commission to entities that conduct live harness  
3 racing in the State; 0.55% of the adjusted gross sports wagering receipts must be deposited  
4 in the Sire Stakes Fund; and 0.4% of the adjusted gross sports wagering receipts must be  
5 deposited in the Agricultural Fair Promotion Fund, which is established in the amendment  
6 to provide monetary support to eligible nonprofit organizations that have had, for at least  
7 the preceding 25 years, a sole or primary purpose of promoting agricultural fairs in the  
8 State. The remaining 25% of adjusted gross sports wagering receipts remitted to the State  
9 must be deposited in the General Fund.

10 The amendment establishes that each federally recognized Indian tribe in this State has  
11 the right to conduct mobile gaming under any law of the State authorizing such mobile  
12 gaming that is enacted on or after the effective date of this legislation.

13 Part K adds an appropriations and allocations section.

### Correctional and Judicial Impact Statements

This bill may increase the number of civil suits filed in the court system. The additional workload associated with the minimal number of new cases filed in the court system does not require additional funding at this time. The collection of additional filing fees may increase General Fund revenue by minor amounts.

### Fiscal Detail and Notes

This bill authorizes the Gambling Control Unit (GCU) within the Department of Public Safety to regulate mobile sports wagering in the State and directs that 28.5% of gross sports wagering facility and mobile revenue be credited to the State as follows: 1% to the GCU for administrative expenses; 1% to the Gambling Addiction and Prevention Treatment Fund; 0.55% to Purse Supplements, 0.55% to the Sire Stakes Fund; 0.4% to the Agricultural Fair Promotion Fund established in the bill and the remainder (25% of facility wagering and mobile wagering) to the General Fund. Facility and mobile operators will retain the remainder of the gross. Based on assumptions contained in the May 2017 Oxford Economics' "Economic Impact of Legalized Sports Betting" report using the criteria of convenient availability for mobile wagering, General Fund revenues are estimated to be \$1,345,500 in fiscal year 2022-23 and Other Special Revenue Funds revenues are estimated to be \$129,375 in fiscal year 2022-23.

This bill includes General Fund appropriations to the Department of Public Safety of \$207,023 in fiscal year 2022-23 for one Public Safety Manager II position, one Public Safety Inspector I position and associated All Other costs. The bill creates facility sports wagering licenses, mobile sports wagering licenses, supplier licenses, management services licenses and employee occupational licenses. License fees are estimated to generate General Fund revenue of \$1,275,750 in fiscal year 2022-23. License fee revenue assumes eight facility sports wagering licenses, four mobile sports wagering licenses, eleven management services licenses, fifty 1-year occupational licenses and fifty 3-year occupational licenses.

The bill exempts income earned and sales made by tribal members on Indian territory or trust land from income and sales taxes and will reduce General Fund revenue by \$44,650 in fiscal year 2022-23 and \$152,000 in fiscal year 2023-24. It will also reduce Local Government Fund revenue by \$2,350 in fiscal year 2022-23 and \$8,000 in fiscal year 2023-24. The bill exempts wild blueberries grown on tribal lands from the blueberry tax and will reduce Other Special Revenue Funds revenue by \$95,000 beginning in fiscal year 2023-24. The Department of Administrative and Financial Services will require a one-time General Fund appropriation of \$66,000 in fiscal year 2023-24 for computer programming to add lines to the individual, fiduciary and corporate income tax returns.

The bill creates the Maliseet Sales Tax Fund and the Penobscot Sales Tax Fund to collect and remit sales tax collected on Indian territory or tribal lands and provides baseline allocations of \$500 to each fund beginning in fiscal year 2022-23.

The Maine Indian Tribal-State Commission will incur additional costs as a result of the requirements of this bill. While the Commission has sufficient budgeted resources to cover these costs in the current 2022-2023 biennium as a result of one-time funding included in Public Law 2021, Chap. 398, ongoing costs from the bill could require additional funding in the 2024-2025 biennium.

Any additional costs to departments and agencies from the provisions of this bill are expected to be minor and can be absorbed within existing budgeted resources.
