11 action against a governmental entity in section 8110.

13 This bill provides that an action arising out of any harm or injury caused by a  
14 perfluoroalkyl or polyfluoroalkyl substance must be commenced within 6 years after the  
15 plaintiff discovers or should have discovered such harm or injury.

16 It makes clear that the notice of claim and statute of limitations provisions of the Maine  
17 Tort Claims Act apply to actions against governmental entities that arise out of any harm  
18 or injury caused by a perfluoroalkyl or polyfluoroalkyl substance.
