26 includes a refinanced loan or consolidated loan if the refinanced loan or consolidated
27 loan remains separate from other debt, except for debt incurred in an educational
28 program, but only in proportion to the portion of the education loan payment that is
29 otherwise eligible under this section. "Eligible education loan" does not include a loan

32 during the taxable year. For an individual working for an employer that customarily
33 operates only during a regularly recurring period of less than 9 months during the
34 taxable year, including seasonal employment, a term of employment extends only to
35 months during which the individual is actually working.

36 **2. Credit allowed.** A qualified individual or an employer of a qualified employee is
37 allowed a credit against the tax imposed by this Part in accordance with the provisions of
38 this section. The credit is created to implement the Job Creation Through Educational
39 Opportunity Program established under Title 20-A, chapter 428-C.
