ROBERT B. HUNT
Clerk

Presented by Representative SKOLFIELD of Weld.
Cosponsored by Representative: PICKETT of Dixfield, Senator: BENNETT of Oxford.

1 **Be it enacted by the People of the State of Maine as follows:**

2 **Sec. 1. 12 MRSA §13155, sub-§3-A** is enacted to read:

3 **3-A. Application and issuance; dual registration.** The commissioner, or an agent
4 designated by the commissioner, may register and assign a dual registration number to an
5 ATV that is also capable of being equipped with tracks for use as a snowmobile upon
6 application and payment of an annual fee by the owner. The dual registration annual fee is
7 the combined total of the ATV registration fee payable under subsection 5 and the
8 snowmobile registration fee payable under section 13104, subsection 4. The commissioner
9 shall charge a fee of \$1 in addition to the annual fee for each registration issued by an
10 employee of the department. The dual registration number in the form of stickers issued by
11 the commissioner must be clearly displayed on the front and rear of the vehicle. A
12 registration is valid for one year commencing July 1st of each year, except that any
13 registration issued prior to July 1st but after May 1st is valid from the date of issuance until
14 June 31st of the following year.

15 **SUMMARY**

16 This bill creates a dual registration option for an all-terrain vehicle equipped with tracks
17 to be registered as both an all-terrain vehicle and a snowmobile. Currently, an all-terrain
18 vehicle with tracks can be registered as both, but must be registered separately. This bill
19 creates a dual registration. It keeps the fee structures already in place for both vehicles
20 individually, but provides for just one registration number.
