1 **Be it enacted by the People of the State of Maine as follows:**

2 **Sec. 1. 21-A MRSA §1001, sub-§2-A** is enacted to read:

3 **2-A. Leadership political action committee.** "Leadership political action
4 committee" means a political action committee designated under section 1053-D that is
5 directly or indirectly established, maintained or controlled by a member of the Legislature
6 but is not a caucus political action committee under section 1053-C.

7 **Sec. 2. 21-A MRSA §1053-D** is enacted to read:

8 **§1053-D. Leadership political action committees**

9 When a leadership political action committee registers pursuant to section 1052-A, the
10 committee shall identify the Legislator's position in the committee as required by section
11 1052-A, subsection 2. Once the Legislator leaves office for any reason, the commission
12 shall update its records to remove any designation of the committee as a leadership political
13 action committee.

14 **Sec. 3. 21-A MRSA §1125, sub-§6-F,** as amended by PL 2019, c. 635, §6, is
15 further amended to read:

16 **6-F. Participation in political action committees.** A participating candidate or a
17 certified candidate may not establish a leadership political action committee for which the
18 candidate is a treasurer or principal officer or for which the candidate is primarily
19 responsible for fund-raising or decision making. This prohibition applies between April
20 1st immediately preceding a general election through:

21 A. The date on which the candidate withdraws from a race;

22 B. The date of the primary election or general election for a candidate who loses either
23 election; or

24 C. January 1st immediately preceding the next general election for a candidate who
25 wins the general election.

26 This prohibition also applies to a participating candidate or certified candidate in a special
27 election, except that the prohibition begins on the date of the candidate's nomination. This
28 subsection does not prohibit a participating candidate or certified candidate, including a
29 certified candidate who wins a general or special election, from engaging in fund-raising
30 or decision making for a caucus political action committee, a ballot question committee or
31 a political action committee formed for the purpose of promoting or opposing a ballot
32 question. This prohibition applies to a participating candidate or certified candidate
33 regardless of the date on which the political action committee was established.

34 **SUMMARY**

35 This bill defines "leadership political action committee" in the campaign reports and
36 finances laws as a political action committee that is directly or indirectly established,
37 maintained or controlled by a member of the Legislature, who must be identified, but is not
38 a caucus political action committee. It also provides that it is a leadership political action
39 committee that a Maine Clean Election Act participating candidate or certified candidate
40 may not establish while running for office or, with the exception of a 3-month period from
41 January 1st to April 1st, holding office.
