SUMMARY

This amendment is the minority report of the committee. The bill prohibits the termination of a tenancy at will without cause. This amendment allows a tenancy at will to be terminated upon 30 days' written notice in 2 situations. The first allows the termination if the rental unit is part of a one-to-4-unit dwelling and the owner occupies one of the units. The 2nd allows the termination after a year has elapsed since the creation of the tenancy. The 30-day notice requirement does not apply in either case if the parties have entered into a lease agreement for a specific term.
